Police Solve \$10,000 Burglary

3 Men, Woman Held in Trafter Store Theft; All Loot Recovered

Granite City police arrested four persons Monday afternoon and recovered clothing valued at \$10,000 which was stolen last week at Trafter's Men's shop in the Namekoi Village shopping center.

Acting upon information obtained on the location of some stolen merchandise, police went to the home of Rose King, 2 Eastgate drive, Pontoon Beach, accompanied by Pontoon Beach police.

After she signed a consent to search the house, detectives found 250 sports coats and 200 pairs of slacks which had been taken in a burglary of the shop last Thursday morning.

The coats, which still bore the Trafter label and price tags, were stacked in the room and in a living room closet, while the slacks were on a display table in another bedroom.

After taking her into custody, police arrested Ricky Potts, 19, Lester Larry Brown, 25, and Jackie Wayne Brown, 22, all of St. Louis, and a warrant was issued for the arrest of another suspect who was in court on another case in St. Louis.

Burglary charges were filed against Mrs. King, 42, who said she had lived at the Eastgate address for about a month, and the three men. They appeared before Magistrate Matosian and asked for preliminary hearings, to be held in Edwardsville. Bond was set at \$10,000 each.

Lester Larry Brown was released on \$1000 bail and the others were held at the Madison county jail at Edwardsville in lieu of bond.

\$250 Stereo Stolen
A stereo valued at \$253 was stolen in a burglary at the home of Janice Mills, 2506 Delmar avenue, between 8 p.m. and midnight Monday, she reported at 12:10 a.m. Tuesday. She reported at 12:10 a.m. Tuesday. She reported at 12:10 a.m. Tuesday.

Desks and file cabinets were released in a burglary at Granite City Auto Sales, 3018 Namekoi road, it was reported Monday. Records were thrown all over the floors. Keys to 19 autos were missing. Entry was gained by forcing a rest room window with a bar or screwdriver.

Burglars sprayed shaving cream over furniture at J & M Motors, 2310 Namekoi road, it was reported Monday. An electric clock and an electric cord to a coffee pot were missing. Entry was gained by forcing a rear window. A door of a house trailer used as an office also was pried. Damage was estimated at \$100.

GC Steel Reports Sales, Income Up—1st Quarter

Granite City Steel Co. had net income of \$1,306,000 or 30 cents per share of common stock, for the first quarter of 1970 compared with a net loss of \$1,400,000, or 32 cents per share, in the first quarter of 1969 when operations were severely limited during the rebuilding of a blast furnace, Nicholas P. Veeder, chairman and chief executive officer, announced Wednesday.

On a pro forma, fully diluted basis, net income for the three months ended March 31, 1970, would be equal to 28 cents per share.

"We are most encouraged by several aspects of our first quarter 1970 performance," Veeder said. "Profits continued to show improvement despite higher costs. We are seeing definite progress in higher production rates and better yields and product quality in many departments including the 80-inch computerized hot strip mill, the key facility for increased market penetration and future growth."

Profits Best Since '67
"Profits in the first quarter of 1970 were the best since the second quarter of 1967 when we began to encounter costly breaking-in problems as our new facilities came on stream."

Granite City Steel produced 374,000 tons of raw steel in the

first quarter this year, 46% more than in the same period of 1969, and shipped 328,000 tons, 47% more than in the first quarter last year.

"The strong world demand for steel has helped maintain a high level of operations" throughout the steel industry," Veeder said. "Our first quarter product mix included some semi-finished shipments for export. While such shipments provide volume which helps absorb overhead during the current slowdown in the domestic economy, this export tonnage is not as profitable as our normal product mix."

Impact of Truck Strike
"The truck strike is seriously interfering with steel shipments throughout the industry and has introduced an element of uncertainty. We are substituting shipments by rail as much as possible, but many steel fabricators can only handle deliveries by truck."

"The impact of the strike on the total economy cannot be determined at present. Meanwhile, we remain generally optimistic at Granite City Steel."

Our plant is in better operating condition than it has been in some time and we will be ready to take advantage of the improvement in the domestic market for steel when it occurs."

Six Persons Hurt In Six-Car Pile-Up

Six persons were injured none seriously, in a six-car pile-up at 11 a.m. Wednesday at the McCormick avenue viaduct in Madison.

The autos were driven by Keith Talley, 23, of 3210 Colgate place, Keith A. Thompson, 35, 3500 Westchester drive; William L. Schienschang, 23, 1111 Harris street; Mildred M. Ardis, 42, 1111 Harris street; Linda, 26, of St. Louis; and Linda Atchison, East St. Louis.

Four victims were taken to St. Elizabeth's hospital and were released following treatment. They are Talley, head and back injuries; Mrs. Ardis, a laceration to the back of the head; King, a chest injury; and Miss Donna Kraus, 18, of 1014 Iowa street, Madison, a laceration in the Thompson auto, nose injuries.

Also suffering minor injuries were Vikki Mangiavacca, 17, of 505 Kirkpatrick, Horne, another passenger in the Thompson auto, and Marion King, 21, of St. Louis.

Three Persons Injured
Donald R. Hazlewood, 24, of 2519 East 23rd street, and two members of his family, suffered minor injuries when their auto was bumped from behind by a car driven by Sharon Chappel, 2402 Cleveland, at a stop sign at 23rd street and Grand avenue.

Hazlewood's wife, Mrs. Susan Hazlewood, 22, 3½, were on Ronald R. Hazlewood, 34, were examined at St. Elizabeth's hospital and were released following x-rays.

Gateway Council, Bi-State Okays Rail Transit Plan

Development of an 82-mile rail-line transit system for the two-state area was approved yesterday by the East-West Gateway Coordinating Council, and in a separate meeting by commissioners of the Bi-State Development Agency.

The Gateway Council instructed engineering consultants to proceed with refined plans for the rail-type system. The study for Bi-State also is being made in coordination with the Gateway Council.

The actions of the two groups were endorsed immediately by the Madison County Board of Commissioners in the Chamber of Commerce of Metropolitan St. Louis.

Mayor James King of St. Louis pledged the full commitment of the city to move the timetable by ten years and said the city is prepared to make immediately map plans—financial, physical and political—to have the transit system in place by 1980.

They proposed instead a rail-line system supplemented by buses that will cost about \$1.3 billion dollars.

Mayor-Council Dispute Over Power to Appoint Erupts Once Again

(Related story on page 36)
Caught in the middle of the council-mayor feud, Police Chief Ronald Veizer is faced with a 30-day appointment to his job instead of the traditional one-year appointment.

It was another development in the mayor-council battle over who has the power to name the chiefs and arose at Monday night's council session—the last meeting of the fiscal year.

As the arguments developed, no one spoke out against Veizer as "aye" vote to name the power.

Mayor Partney contends state law specifies only the mayor can appoint the chiefs. The council majority holds firm on its right to name the chief.

The council voted 6-10 to reject the mayor's appointment of Veizer, siding with the mayor were Aldermen Rudolph, Whitmer, Boyd, Poulos, Jarrett and Baker; while opposed were Nomm, Basenich, Dallas, Moerlein, Parmley, Robinson, Green, Dawes, Morien and Schaefer.

Fire Chief Vote 8-8
Fire Chief Earl Fronberger's appointment came up before the council. The roll call ended with an 8-to-8 tie vote. Mayor Partney broke the tie with "aye" vote to name the chief for one year.

Also caught up in the feud were the two women police dispatchers, and the roll call ended with an 8-to-8 tie vote. Mayor Partney broke the tie with "aye" vote to name the chief for one year.

Later in the meeting, the council refused again to approve the women's salaries for the fiscal year. The council refused again to approve the women's salaries for the fiscal year.

Speaking in their behalf from the audience, James Coffey, vice president of Local 88 which represents city hall employees, told council members he planned to file charges of discrimination and unfair labor practices against the council and city. "These women are working and doing a good job. They should be paid," Coffey said. The women have served at the police headquarters since Feb. 1.

The mayor's reappointment of Fire Chief Fronberger apparently will be a moot point for council members of guard, as indicated by the 8-to-8 vote.

Quad-Cityans Rise Early as Sirens Howl Storm Alert

Howling sirens tumbled Quad-Cityans from their beds early this morning in a tornado alert resulting from a funnel sighting at Berkeley, Mo., and held many of them to their radios for nearly an hour until sirens eventually sounded a second report that a tornado had touched down in St. Louis county.

While no severe storm developed, the tornado alert, which ended about 4:15 a.m., was followed by heavy rain that measured 38 of an inch, according to the rain gauge at the Chain of Rocks locks.

Sirens were sounded at 3:30 a.m. after Illinois State police received weather bureau notice of the funnel sighting and relayed the warnings to Civilian Defense officials. Victor Koenig, Granite City director of Civilian Defense, said the situation was intensified by another report of a tornado touchdown, but that it later appeared this report was a hoax.

April Rainfall Up
This morning's rain brought to 5.44 inches the total fall for the month of April, which is the April normal of 3.71 inches.

The total rainfall of April was more than twice the normal of the total for the first three months of year. The combined rainfall for January, February and March was only 2.35 inches, or 4.01 inches below normal for the three-month period.

Only 20 of an inch of rain fell in January, the lowest for any month since August 1957, when only 1.5 of an inch fell. The March fall was 1.63 inches.

Mrs. Louise Lewis Enters Madison Mayor's Battle

Mrs. Louise Lewis, widow of the late Austin Lewis, associate police and fire commissioner, entered the already heated campaign for election as mayor of Madison today.

Mrs. Lewis announced her candidacy in a statement in which she said she believes the qualifications for mayor should require "a desire to create a government of the people through free elections instead of dictatorial one-man rule."

Her entry into the mayor's race came as the battle between Ray Kozielek, acting mayor, and Mike Sasyk, president of the Madison Board of Police and Fire Commissioners, developed into open warfare between city officials and city organization associates.

Mrs. Lewis was reported to have obtained nominating petition blanks from the office of Comptroller E. J. Miller last week, but she had made no official announcement until today.

She said that she believes that "these appointments that you are making are in your behalf as a citizen of the city."

Kozielek ruled him out of order despite cheers from a number of women, including wives of Madison city officials who were endangered, and wives of tavern owners.

They were among an estimated 40 persons who gathered at the city hall to hear Mayor Stephen Maeras, who died suddenly in mid-February, be held July 26.

Mrs. Lewis prefaced her announcement of candidacy with a statement that she believed the late mayor (Maeras) did a commendable job for the citizens of this community, but I also feel a need for an updated corporate process."

Mrs. Lewis, who lives at 1624 Fourth street, Madison, said that she is a "citizen mother" of three children of college age, high school age and pre-school age, and that she believes the qualifications for mayor should require a desire for a school system which is allowed to solve its own problems through a duly elected board."

She said that she believes that "women in the work force in business and politics constitute a good base for the entire community."

"I do not believe that qualifications for mayor require the possession of an official position, elected or appointed," she continued, adding that "a system of unbiased evaluation of how well the person did the job is more important."

Statement of Policies
In a statement of policies and principles, Mrs. Lewis said: "I believe in fair and impartial bidding in all areas concerning municipal buildings and departments; that tavern owners should be able to seek adequate insurance for their best advantage; that municipal employees should be able to seek

Fire at Venice Store 2nd Arson Case in 2 Days

Venice firemen were called last night to the New-Way Grocery, 1651 Douglas street, where they extinguished a fire which authorities said had been set at the rear of the building, while a large group of persons stood by yelling and shouting at firemen.

It was the fifth Venice fire alarm in two days and the second involving arson, Fire Chief William Meehan said.

The fire was extinguished with only minor damage to the exterior of the building. Meehan said the fire obviously had been set off by a person who had entered the building and reached the scene before it had a chance to gain much headway. There was no damage to the interior of the building.

The New-Way Grocery was damaged by fire on June 25 last year. Three Venice men were arrested on charges of arson and conspiracy in that case.

Firemen said that when they arrived at the scene, about six men were present and they were arguing with the firemen. Thomas McCosky, driver of one of the Venice fire trucks, while attempting to enter the area behind the store, backed into a parked car owned by Ronald Shaw, 1042 Douglas street, police reported.

Within a short time about 30 persons had gathered, police said, and while firemen were extinguishing the fire stood by clapping their hands and shouting "Go, Go New-Way. Burn, Burn New-Way." Firemen said the group did not interfere with firemen's efforts to put out the fire.

In addition to Cong. Wilson, those making the inspection Monday were Brig. Gen. Theodore Antelloni, director of District of Columbia's Department of the Interior, U.S. Army Materiel Command at Washington; James F. Shumati, Congressional Committee Counsel of Washington; Col. George L. Dalles, U.S. Air Force, office of the Chief of Staff, Washington (legislative affairs); of Washington; Edwin J. Liebman, office of the director of Special Projects (legislative affairs) of Washington; and A. L. Guilmette, Distribution and Transportation Directorate of the U.S. Army Materiel Command, of Washington.

Representing the Army Depot during the conference were Depot Commander Col. Ned R. Dickson; Lt. Col. William K. Winner, director of services; Lt. Col. John A. Hengel, deputy depot commander; Lawrence F. Hengehold, civilian executive director of the depot; and Capt. John A. Hengel, deputy depot commander, and Rainey E. Wildhaber, acting for the commander.

Horace H. Wright, 20, of 1231 Bisell street, Venice, was arrested by Venice police on a charge of vandalism about 2:30 a.m. Tuesday, and officers said several dozen more vandalism complaints may be filed against him.

Officers said Wright is charged with breaking the radio of a four-family apartment building at 922 Jackson street, while the car was parked in front of Young's home.

Young reported that he received a phone call from a neighbor who told him that a young man was breaking his radio aerial on his car. Young

Madison Council, Mayor Battle

30-Day Appointments Raise Aldermanic Ire In City Power Struggle

Thirty-day appointments by acting Mayor Ray Kozielek to Madison city offices pushed the current political battle for control of the city into high gear as most aldermen and a partisan crowd objected strongly at a meeting Tuesday night.

It was the first major split among aldermen displayed on the council floor in decades. Aldermen and the city legal department argued that the appointments were illegal without approval of the council.

Acting Mayor Kozielek insisted that he has the authority to make such appointments and that he did not have to take the advice of John Gitchoff and Nick Vassilef of the city's legal staff.

Under the appointments, which could be renewed for 30-day periods, in Kozielek's opinion, the special majority election on July 28, major changes displaced Police Chief Frank Duto in favor of Police Capt. Edward Zabolka and altered the legal department, with William Kierulff chosen as corporation counsel and L. C. Scroggins as city attorney.

Fireworks Start
The "fireworks" started immediately after Kozielek read the list of his appointments. The 1970-71 fiscal year begins tomorrow, May 1.

Ward Alderman John Haynes jumped to the floor and objected that "not one name from West Madison was called. Is that your image of the city?"

"These appointments that you are making are in your behalf as a citizen of the city," Kozielek ruled him out of order despite cheers from a number of women, including wives of Madison city officials who were endangered, and wives of tavern owners.

They were among an estimated 40 persons who gathered at the city hall to hear Mayor Stephen Maeras, who died suddenly in mid-February, be held July 26.

Armed Services Committee Report Due on Depot Closing

A full report on the functions and facilities of the Granite City Army Depot is being prepared in Washington, D.C., for presentation to the House Armed Services Committee. Following an inspection visit here Monday afternoon by a six-man delegation of congressional, military and defense department officials, it was reported today.

The inspection tour of the depot was followed by a meeting between the government representatives and officers of the Army Depot. The group left for Washington, D.C., on Tuesday.

Cong. Melvin Price (D-East St. Louis), who requested the inspection in connection with a locally-motivated move to obtain government consideration of an order to phase out the depot operations and close down the installation by July 1, 1971, reported at Washington yesterday that he had conferred

with the delegation, which headed the inspection delegation, but that no immediate statement on outcome of the trip is being made.

Preparing Report
"Cong. Wilson told me that the purpose of the trip was to obtain a first-hand view of the depot functions and a determination of its facilities," Cong.

Price said. "He said that he is preparing a full report which will be presented soon to the Armed Services Committee."

Neither the delegation of visiting officials nor Army Depot officers made any comment concerning matters discussed in the conference Monday afternoon.

Cong. Price requested the House Armed Services Committee to conduct a hearing on the depot.

Save Our Depot Assoc. Organizes for Campaign
A six-week campaign to keep the Army Depot in Granite City was launched Tuesday night at a public meeting at the SODA (Save Our Depot Association), during which announcement was made that a hearing before the House Armed Services committee or a sub-committee has been assured.

The returned former commander of the depot said he had talked personally to Cong. Charles R. Wilson (D-Calif.), who headed the delegation, and Brig. Gen. Theodore Antelloni, director of Distribution and Transportation Headquarters, U.S. Army Materiel Command at Washington.

"All I hear is pessimism on

the depot, but I'm convinced we will be heard and the depot will remain open. The reasons given for closing the depot are shot full of holes and we have the ammunition," Hoskin said.

The organization meeting for the depot was held at Burns' Cafeteria, which is next door to the SODA headquarters at 1222 Nineteenth street. The president is Gilbert Novotny of the National Stock Yards, and Hoskin is executive vice president.

It was noted the attendance at the organizational meeting was "heavy with union and veteran groups representatives."

Hoskin remarked the trend was optimistic, since both unions and veterans groups have strong lobbying units in Washington.

Mrs. Oma Kosky, 65, Dies; 28-Year Resident

Mrs. Oma E. Kosky, 65, of 2134 Grand avenue, wife of William Kosky, a teacher at Washington school, died at 6 a.m. Wednesday at St. Elizabeth Hospital, after a lengthy illness.

Born in Mt. Vernon, Ind., Mrs. Kosky lived in Granite City for 28 years. She was a member of Calvary Baptist Church.

Other than her husband she is survived by her father, William Nesler of Mt. Vernon; a brother, Clyde Nesler, and a sister, Mrs. Elsie French both of Evansville, Ind.

Funeral arrangements are given in today's obituary column.

Chemical Industry Seeks Plant Site; Bids Being Called

Negotiations are underway for a chemical industry to be established at the Stephenson Maers Industrial Park, acting Mayor Ray Kozielek informed the Madison city council at its regular meeting Tuesday night.

However, three aldermen balked at approving a call for bids on public sale of 1.8 acres of ground at the industrial park, the amount needed by the chemical firm, as they had not previously been informed of the plans.

By a 5-to-3 vote, the tract is being advertised for sale, with terms and conditions similar to

those under which the Brendel brothers constructed a refrigerated meat warehouse.

According to the Kozielek purchase will be for cash. An industrial plant valued at not less than \$250,000 is to be constructed and completed within six months from the date of the property transfer. Bids will be opened at the June 9 council meeting.

'Blue Chip Company'

Kozielek said he was not at liberty at this time to disclose the name of the firm, but said it is a "blue chip company" and that negotiations were inaugurated a year ago by the late Mayor Stephen Maeras.

Fifth Ward Alderman John Haynes objected strongly when it was determined that the ordinance calling for the bid was prepared in the office of Attorney William Kinder rather

than by city's legal department.

After several blunt exchanges, Kozielek said he had received a call from the chemical firm that afternoon that the company was prepared for the move, that he was unable to contact city attorneys and that time was important.

He said he prepared the ordinance himself, using the last ordinance as a pattern, and had it typed by Kinder's secretary at no cost to the city. City Attorney Nick Vassileff assured the council that the ordinance was in proper form.

Voting "no," with Haynes, who insisted that the council first receive a briefing before being asked to vote on a matter, were Fifth Ward Alderman Booker Walton and Second Ward Alderman Richard Kismier.

River Road Link

Acting Mayor Kozielek informed the council that city engineer Edward Jungau has been assured of state highway division support on proposed plans for a roadway connecting the city of Madison at 12th and State streets to new Federal Aid Route 151 (Great River Road).

He said it is hoped that detailed plans will be ready within a year. Minor adjustments in the elevation of railroad tracks will be necessary, he said, adding that the city is receiving the cooperation of the Tri-City Port Authority, Chamber of Commerce and Mayors' Partnership of Granite City and Lee of Venice.

The Illinois Commerce Commission announced that it will hold a hearing on a rate increase proposed by the East

Woman's Wallet Stolen

Mrs. Audrey Laird, 3045 Maryville road, reported at 8 a.m. Tuesday that when she left her room at St. Elizabeth Hospital to use the phone in the hall, her red wallet was stolen. It contained her driver's license, credit cards and \$4.50.

St. Louis & Interurban Water Co. at 10:30 a.m. May 15 at Springfield.

Kozielek told the council that the Illinois Liquor Commission has taken under advisement an appeal of his revocation of the liquor license of Johnny Lewis' tavern.

In another report, he said 112 dogs and three cats were incarcerated at an anti-rabies clinic last Saturday.

Kiwanis Hear Talk On Law Enforcement

Richard Allen, local lawyer, and former Granite City attorney, was the featured speaker Monday at the Kiwanis dinner meeting.

His topic was, "The Meaning of Law Day to Each of Us as an Individual" and Allen said there is no need for new laws, only enforcement of the existing laws to achieve what the people really want.

During the business meeting, details were finalized for the Teachers' Appreciation dinner on May 18 at the Rose Bowl.

The members also agreed to make the evening "ladies' night" by inviting their wives.

been set. The building was damaged extensively on the second story about a month ago by a fire which firemen said was the work of an arsonist. A week later, another fire was set in the same building, but was put out by Venice firemen with no additional damage. The building now is unoccupied.

Eagle Park Fire
Firemen were called at 8:35 p.m. Tuesday to extinguish a fire in a shed at the home of Doris Woods, 322 Hill street, Eagle Park Acres. The fire was caused by children playing with matches, firemen said. Damage was minor.

They also were called Tuesday at 6:15 p.m. when the timbers of the Terminal high-line at County road caught fire and also answered an alarm at 3:35 p.m. Tuesday to McKinley bridge when a truck caught fire. Firemen reported there was no damage to the highline structure and the truck fire was out when they arrived at the scene.

Madison firemen were called at 8:45 p.m. last night to 300 West Madison street, when trash in an old shed caught fire from unknown causes. There was no loss, firemen said.

Parents of Deaf Meet On Spring Activities

The Bi-County Parents Group for Deaf and Hard of Hearing Children met Tuesday night in Belleville, hearing a talk on the history of hearing aids, from the horn to modern power aids. Steve Gargac, president, presided, reminding the parents of the "state day" sponsored by the Illinois Parents of Hearing Impaired on Saturday at Illinois State University at Normal.

Mrs. Lawrence Hare of the Beta Sigma Phi sorority, Theta Sigma Phi chapter, reported that a celebrity auction in Fairview netted \$300, with proceeds going to the Bi-County Parents Group for purchase of needed classroom items.

An election was set for May 28. Those nominated were: president, Gargac; vice-president, Mrs. Sandy Grote and Mrs. Mary Ann Heinrich; and secretary, Mrs. Larry Daley and Mrs. Motley. Nominations will be opened again at the May meeting.

The offices of secretary and treasurer are for two years. The current treasurer, Mrs. Jay Dittich, has another year of her term to serve.

Mrs. Joan Gregory, supervisor of the program, announced three new classrooms to be opened this fall. A new junior high class is set tentatively for O'Fallon, and preschool classes are scheduled for Granite City and Alton. She informed the parents of a mother in Troy who obtained a "Caution, Deaf Child" sign for her busy street, and suggested that parents contact their city councils.

The next meeting will be a family pot luck supper at the Union school, Belleville.

Brownie Troop 730, sponsored by Frohardt PTA held a games meeting Monday afternoon in the school cafeteria with leaders, Mrs. Ruth Schroeder, Mrs. Charlotte Klose, Mrs. Jolene Wood and Mrs. Maryanne Neubauer.

The final portion of the meeting was devoted to a practice for third grade girls who will become Junior Girl Scouts at the mother-daughter party May 5. The practice was conducted by Mrs. Shirley Long.

Brownies present were Mary Beth Coffey, Becky Corzilius, Nancy Cavar, Jill Donley, Laura Dyer, Ann Fuller, Ruth Harris, Laura Guenther, Dana Jones, Lori Jones, Sharon Kloser, Josie Linhart, Dina Long, Lori McDaniels, Darla Modin, Linda Modin, Suzette Neubauer, Dieder Schroeder, Rose Trester, Carrie Varner and Barbara Wood.

Members discussed attending a production of the Municipal Opera this summer. Final plans will be announced at the May meeting.

The room attendance award was won by Mrs. Lynn's second grade classroom. The evening's prize, a ceramic figure of praying hands, was awarded to Mrs. Jeanne Beatty. Closing prayer was led by Sister Barbara.

A dessert course was served by the hostesses, Mrs. Delora Schrenk and Mrs. Kay Portell. The serving table was decorated with an arrangement of blue flowers in a large brass container. Matching brass candleholders with blue candles completed the table decorations.

ATTENDS DISTRICT DAV MEETING

Mrs. Irene Hostler, a member of the local DAV Auxiliary, and Department of Illinois senior vice-commander, has returned from Chicago where she attended a three-day meeting of the executive committee of the Eight District, DAV.

The District consists of the states of Illinois, Wisconsin and Michigan.

SHOWER HONORS
MISS PLANTZ
Miss Toni Plantz, a bride-to-be, was guest of honor this week at a shower given at St. Mary's Greek Catholic Church in Madison.

Hostesses were Mrs. John Pavlov and Mrs. Jo Elaine Hackney, a sister of the bride.

The tables were decorated with assorted favors and red carnations. The gift table was centered with a large net umbrella and lilies of the valley and greenery accented the skirt.

About 60 guests attended the shower, including the young women who assisted in opening the gifts, Mrs. Lana Maycock, and Misses Paula and Theresa Plantz, cousins of the bride to be, and a niece, Cathy Hackney. Miss Plantz will be married June 13 to John Pavlov Jr. The ceremony will take place at St. Mary's Roman Catholic Church.

Fall Wedding Is Planned

Mr. and Mrs. Bernard F. Shepard, 2422 Edison avenue, are announcing the engagement of their daughter, Miss Joyce Shepard, to Blake Finch, a son of Mr. and Mrs. Braxton L. Finch, 2306 O'Hare avenue.

Both young people are graduates of the Granite City high school and the bride-to-be is presently attending Eastern Illinois University. Her fiancé attended SIU-SW prior to entering the U. S. Air Force from which he was recently discharged. He is employed in St. Louis by the McDonnell-Douglas Aircraft Corp. An autumn wedding is planned.

Flower Show And Workshop

A workshop and flower show entitled "Just Fixin' Flowers" was staged by members of the Cloverview Garden Club Tuesday in the home of Mrs. V. J. Lisac, 1800 Amos avenue. The judging was done by Mrs. E. F. Davis of Pueblo, Colorado, the house guest of Mrs. Lisac and Mrs. L. R. Kingston.

Mrs. Kenneth Brokaw was winner of a blue ribbon and a special award in the category "Tulip Tactics;" Mrs. John Jenkins and Mrs. William Bradley, received a red ribbon each, and Mrs. B. C. O'Neill a yellow ribbon in the same category. In the class "Bulb Breakfast," Mrs. Jenkins was awarded a ribbon of appreciation and a blue ribbon; while Mrs. O'Neill received a white ribbon.

In the class "Gathering Greenery," Mrs. Leo Doman won a blue and a yellow ribbon; Mrs. John Lentz, red, and Mrs. Lisac and Mrs. O'Neill, yellow ribbons. "Miniatures," Mrs. Roman, a blue and two white ribbons. In "Violet Basket" arrangement Mrs. Robert McCauley was winner of a red ribbon and a lilac bouquet, and Mrs. Lentz, a white ribbon.

The Horticulture division winners of blue ribbons were Mrs. O'Neill, for flowering cinquefoil; Mrs. McCauley, pink dogwood; and Mrs. Jenkins, parrot tulip. Two red ribbons and a yellow were won by Mrs. Jenkins for fringed tulips, and by Mrs. O'Neill for flowering plum. Mrs. Lentz was awarded a white ribbon for a Japanese maple specimen.

A letter was read from Charles Weiss, principal of Grigsby junior high school, thanking the club for the pin oak tree recently planted near the school entrance by Fred Orr. It was donated for the continuing program of planting at the school which was begun in 1968.

An invitation was read from the Garden Study Club to a 9:30 brunch at Wilson Park Recreation Center May 6, and plans were made for a rummage sale May 15 at the George Knapp home, 3309 Princeton drive, the proceeds to be used for civic projects and other club activities.

SA HOME LEAGUE PLANS RUMMAGE SALE

The Salvation Army Home League met Tuesday at The Citadel with 14 present.

Name tags were made for a Home League rally in St. Louis May 14, and night gowns for the Emergency Lodge in St. Louis.

The group is planning a rummage sale to be held May 8 at The Citadel.

Papes Tennis Record For GCHS Still Perfect

GCHS netmen defeated Westclinton of Trenton here Tuesday, 3-2.

Previously undefeated Warriors Duayne Parrish and Charles Libby bowed in the second doubles to Dave Hufman and Mike Reilly 6-3, 7-5. Parrish had gone six outings without a loss; Libby, three.

Joe Papes fanned his perfect record to 9-0, retaining the only undefeated log for Granite City. He paired with Dave Pieper to win over Bob Roberts and Jerry Davis 6-0, 6-4.

First singles player Mike Gaines bowed to Mark Noman 6-8, 6-4, 6-0; second Warrior singles man Bill Reader won over Dave Leonard 7-5, 6-2; and Dave Loftus defeated Ed Schaeferle, 6-1, 6-1.

Williams, Sedabres, Hillis, Cruse Pace Braves Track Team

Coolidge ninth grade trackmen beat East junior high of Alton 99-22 here Monday. Rain had forced postponement of the meet last week.

Dale Williams set a new Coolidge long jump record with a 19-4 winning leap. Both his long jump teammates, Jon Stagner and Kirt Hulse, exceeded 18 feet.

Williams also won the 100 dash (11.2) and 220 (25.5) and ran on the 880 relay squad. Dennis Sedabres won both hurdles events, running five hurdles in 14.8, a tenth-second off the school record.

Bill Hillis won the shot put and discus. His discus throw threatened the all-Granite City JHS mark of 162-8; he tossed it 169-10.

The oldest GCHS records have stood since 1962—the 100-yard dash (10.5) and quarter-mile dash (55.0). Quartermiller Dennis Cruse showed new record from Monday, winning with a 57.8 time.

At Hall's what may be the most dangerous job at the races. He's the flagman who, during part of the races, stands unprotected only a few feet away from the speeding cars.

Fans will see Hall waving one of the variously colored banners to instruct the field drivers. On occasion, he may exchange a harsh word with an individual driver to insure that the rules of fairness and safety are enforced.

A curious fact to remember is that Hall, when not busy at speedways, is a medical nurse. The contrast between auto racing and off-track employment for Driver Roy Hibbard is about as easy to understand as the difference between Hibbard's two activities are as great as a hay burning horse and high octane burning horsepower. And he has made the difference more dramatic by his great success in both fields.

Season, Fair Titleist
Hibbard won the Tri-City Speedway season championship in 1968. In 1969, he was the Missouri national champ, winning the state fair race. He is the defending Capitol Racing Association champion, taking the crown by a margin of 247 points.

Hibbard is 42, is married and has children.

Behind a steering wheel, he seldom trails anyone's horse power but off the track he is often at the back of a horse. He has the nearly extinct trade of a professional blacksmith.

Horse owners from many states bring their horsehoes to business to Hibbard.

Other people to be on the track with double personalities worth remembering are:

Driver Bobby Jones, 26, professional barber.

The other two barbers at the same shop are also racing car drivers, Larry Cannon and Bob Latow.

Pit Steward Larry Cline, who has a furniture upholstery business in Wood River.

And Tri-City Speedway public address announcer Roy Brammell, who operates a florist shop in Granite City.

Training for Umpires
Men and boys over 16 years of age interested in umpiring for the Granite City park district boys' baseball program should attend clinics at 7:30 p.m. May 3 and May 7 at the Wilson Park ice rink. Conrad Champion will direct the umpiring clinic, which will include positioning for a call and technique.

The park district will give hiring preference to those who have attended the clinics.

Reelfoot Fishing Good
Bass are hitting on plugs at Reelfoot Lake, Tenn., report Rich and Susie Cooper, owners of the Boardman resort. The weather has been clear. Crappie and bluegill are getting ready to spawn and are expected to be hitting big soon. For now, bluegill are being caught in mud and brush and crappie are being taken by trolling.

National Soccer Finals At SIU-SW in December

Southern Illinois University's Southwestern campus will host the 1970 National Collegiate Athletic Association national soccer championship finals Dec. 3 and 5, it was announced today by Harry Gallatin, head of intercollegiate athletics.

Last year's NCAA soccer finals were held at San Jose State in California and were won by St. Louis University. Gallatin said, "I am delighted that the NCAA has selected us as hosts for the national tournament. Coach Bob Guelker has done an outstanding job with the Cougars in soccer and it seems unbelievable that in three short years we will be competing in the national championship."

Gueller will serve as tournament chairman and will be aided by members of the NCAA's Rules and Tournament committee.

Gueller, whose Cougars lost to St. Louis 4-0 in first-round play in the 1969 Midwest NCAA regional tournament, commented, "We plan to expand our seating capacity at Cougar Field to at least 4000 and will install locker rooms and showers near the site."

He was asked: "What are the chances of the Cougars making it to the finals?" With practiced ease he replied: "I have practiced his entire lineup back from last season's 10-1 team and experience gained from a two-week tournament trip to Ireland this spring. Gueller declined to make a prediction but did show a confident smile.

Cougar Field is considered one of the best soccer playing fields in the nation, Gueller noted.

Coolidge Net Squad Defeats Roxana 4-1
The Coolidge Braves tennis squad notched a 4-1 victory over Roxana junior high school Tuesday afternoon at Roxana, taking three singles matches and a doubles match. The local team's overall season record stands at 4-4.

Singles winners were Bill Rusick, 6-4, 6-0; Gary Loy, 6-0 and 6-1; and Gary Rushing, 6-4, 6-3.

Doubles winners were Allen Davenport and Gary Osburn, 6-2, 6-1. Losing were Ralph Reader and Bill Berger, 4-6, 1-6.

Coach Bob Moske's tennis squad will meet the junior high team at Edwardsville tomorrow.

Cougar Success Aided By Brilliant Pitching

Baseball fans often are real nuts about statistics, and there are some pleasing ones to ponder this week. The 14-game statistics of the SIU-SW Cougars spell out in stark figures the sensational season Coach Roy Lee's baseball team is producing.

Following the past weekend, in which the Cougars won four straight, defeating Western Illinois University at Macomb 9-3 and 7-3 and streaking past the University of Missouri-Rolla here 1-0 and 5-1, Lee's charges are 13-1 and have won their last ten games.

Sensational pitching, brilliant defense and timely, but not necessarily overpowering, hitting tell the story of the amazing streak in the Cougars' third season in intercollegiate baseball competition.

The lone defeat, a 3-0 setback at New Orleans to nationally-ranked Tulane University, came in the Cougars' fourth contest in the young season. The next day, SIU-SW rebounded to clobber the Green Wave, 12-1.

This week, starting with a doubleheader here against McKendree College of Lebanon, the Cougars embarked on a grueling six-game schedule, which should severely test their "big four" pitching staff. It's a brilliant mound corps, probably the best in the small college Division of the NCAA, with a combined and almost unbelievable 1.62 earned run average.

Drawing the starting assignments Wednesday were Ed Allaria, Don Toos and Granite City's Bruce Thompson. Toos was 3-0 with the staff's lowest ERA, 0.75. Thompson was 0-84 and 4-0, leading in strikeouts with 33.

A sophomore from the Peoria area, a Washburn, Ill., John Goddard, is going to be tough to keep out of the lineup. The outfielder is hitting a torrid .556 with five hits in nine times at bat.

and giving up only two walks. Tomorrow, the Cougars will be at Bolivar, Mo., for a twin-bill with the Southwestern Baptist University. Drawing the opening-game mound duties will be Granite City's Don Rains, 2-1, boasting an ERA of 0.88. Steve Malone, like Rains a sophomore, will pitch the second game at Bolivar. Southav (the only one on the staff) Malone is 4-0 but has a 3.82 ERA.

On Saturday, SIU-SW will move on to Springfield, Mo., to take on the nationally-ranked Southwest Missouri State club in a twinbill. It will be Pops in the opener and Thompson in the nightcap.

Hitting statistics for 14 games also are listed. Keesee, shortstop from Belleville, leading with a .324 average. Of the six other players with .300 averages, Dan Weaver of Alton has broken out of his recent mild slump and taken over the third spot with a .320 figure. Dan Coe, former Normandy prep player, is in second place with a .320 mark.

Coming up strong is Valmeyer's Ron Rohlfing with 282. Belleville's Dennis Schutzenhofer, whose play at second base reminds many of Red Schoendienst of the Cardinals, is next with .273. Roxana's Mike Schroeder, third baseman, is next with .242 but is a streak hitter and could top .300 for the season.

The Cougars' three-man catching staff is being paced at bat by Edwardsville's Mike Allaria with a terrific .461 average. The Cougars' third baseman, Mike Allaria, is next with .333 and freshman Roger Belshe of the Peoria area, a Washburn, Ill., John Goddard, is going to be tough to keep out of the lineup. The outfielder is hitting a torrid .556 with five hits in nine times at bat.

Public to Compete In Model Airplanes Flying Here Sunday
Tri-City Sky Stealers, model airplane builders, will be flying at 1:30 p.m. Sunday at the Coolidge junior high athletic field.

The public is invited to enter rubber-powered flying competition. A packaged rubber-band-powered model plane will be furnished by the sponsors as part of the registration fee.

Cakes will be awarded to first through third-place finishes. Judging will be on endurance of flight. All ages will compete together in this just-for-fun event.

Sky Stealers sponsored a similar flying contest last fall but snow interrupted the serious business of cake eating.

Club Secretary John Blum says, "This time we hope to be without the flaky white stuff."

He announces, "Due to the immense popularity of this first-of-its-kind event has been enlarged."

Though more expertise and equipment are required for the added events, cakes will still be the prizes.

All ages will compete together in hand-launching glider and flex-wing aircraft events. Contestants must furnish their own models.

Warriors and Trojans 2nd in Divisions of County Track Meet

Warrior Mike Allen remade both hurdles records and five other records fell at the 1970 Madison county track and field meet Tuesday at the GCHS stadium.

Defending state track champion Alton ran away with the Red division (larger schools) crown, scoring an all-time high of 107½ team points. Granite City was second with 61½. Edwardsville scored 46 and Collinsville 22.

In the Green division, Roxana showed early meet superiority but went to the final event before being assured of edging Madison out of the title.

Green division team totals: Roxana 60½, Madison 58, Triad 42, Wood River 35, Highland 18, Bethalto 16, St. Paul of Highland nine and Alton Marquette no points.

Allen broke the 120-yard hurdles mark of 14.7 set by Alton's Andrew Johnson in 1962. The Granite City hurdler clocked 14.65 seconds. Allen reset his own county mark in the 180-yard low hurdles around the curve by more than a second, with a 19.85 time.

McDuffy Wins Half-Mile
Jim McDuffy was the only additional Warrior to register a first place. He won the half-mile run in 2:02.2.

Other new meet records: Edwardsville's Morris Bradshaw, 100-yard dash 9.6; Alton's half-mile relay 13:07; Triad's Sidener, pole vault, 13 feet; Alton's Gail Murphy, 220-yard dash 21.9; and Alton's mile relay 3:24.4.

Madison earned only one team point in field events. Ed-

wardo Chandler leaped for fifth in the long jump.

MHS Topples Records
But the Trojans rushed to gather points for a near championship while setting five new Green division records.

In the century dash, Chandler won (10.0) and Tys was second (10.1). Both were faster than the meet record held by Tys.

Chandler, Don Turner, Larry Mosby and Tys in the 880-relay won in a 1:33 record time. Vann Ford won the low hurdles, setting a new record of 20.45, and was second in the high hurdles in a 15.2 time, tying the old record.

Tys Improves His Record
Tys reset another of his own marks in the 220-dash with a 22.5 sprint.

Other Granite City placers: High jump—Don Smith 2nd, Gary Provance 4th, Long jump—Barry Schroeder 5th 19.4.

Shot put—Dave Line 5th 42.3. 150-low hurdles—Mark Twittemeyer 3rd 20.5. Mile run—Rick Rose 5th 4:45. 220 dash—Steve Benko 4th 23.6. Stan Stajduhar 5th 23.9.

Mile relay—2nd, Two-mile run—Gene Briggs 3rd 10:16.5. 120-high hurdles—Twittemeyer 2nd 14.9. 100 dash—Stajduhar 10:12. Benko 5th 10.3.

Half-mile run—Goof Lux 4th. Half-mile relay 2nd. 440 dash—Ken Elliott 3rd 52.6; Ralph Rojas 5th.

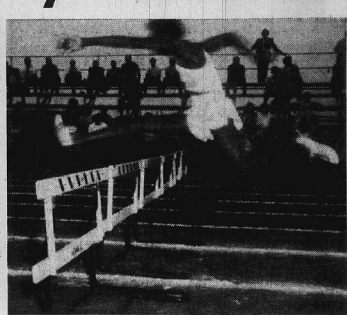

Other Madison placers: 180-yard low hurdles—Joe Willie Jenkins 3rd. 220-dash—Chandler 2nd. Mile relay—1st. 120-yard high hurdles—Jenkins 3rd. 880 dash—Bill Foster 5th. 440 dash—Tucumsha Holmes 1st 51.6.

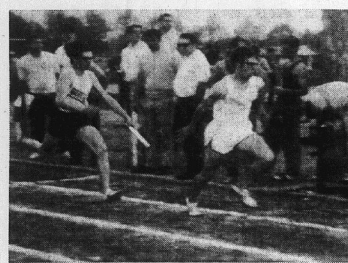

LONESOME TEX. Trojan Tucumsha "Tex" Holmes strides toward the finish line string, far ahead of the pack in the quarter-mile run of the Madison county track meet.

HIGH STEPPING. Mike Allen of GCHS completes a step over a low hurdle while winning the event in record time. To his right are Alton's Al Withrow, second, and Warrior Mark Twittemeyer, third.

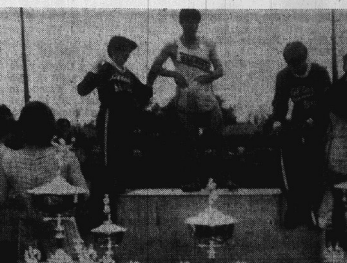

VROOM. Madison's Vann Ford flies over a low hurdle in a dash for Green division first place during the 1970 Madison county high school track meet, held at GCHS.

HAND-TO-HAND COMBAT. Barry Schroeder passes Granite City's half-mile relay baton to Dennis Gillie. The Warriors ended the relay race second to Alton.

4 Central School Track Records Set By Mike Martinez
Central junior high's Mike Martinez has set four new school records in the past week. He had set school highs in the ten-hurdles and high jump April 24; yesterday, he set marks in the long jump and five-hurdles as his eighth grade teammates placed second in a triangular at Alton.

Team totals: Eighth grade—East junior of Alton 68, Central 29, West of Alton 22; seventh grade—East 58, Central 45, West 31.

Martinez won the long jump with an 18-7 leap, breaking a 1962 record. He ran the five-hurdles event in 15.2, bettering a 1965 mark.

GCHS Nine Wins 4-0, 12-0, 2-1

Granite City's Ed Hagauer kept his perfect pitching record intact, winning 2-1 in his fourth outing of the season Wednesday in a southwestern conference game at East St. Louis.

Earlier in the week, the Warriors won two non-conference shutouts at Wilson.

Ron Simpson hurled a 12-0 win Monday over Columbia.

Jeff Boyles was on the mound for Tuesday's 4-0 victory over Belleville East.

Simpson and Boyles allowed three hits in each of the shut-out wins.

East St. Louis picked up its lone run yesterday in the second. GCHS recorded the bags in the first and fourth.

Against Belleville East, Granite City touched early in the game—one in the first and three in the second. Boyles struck out five batters and lowered his ERA to .00.

A nine-run first frame started the Warriors off properly against Columbia. With GCHS adding one run in the second and two in the third, the game ended after four and a half innings due to the ten-run lead rule.

MHS Trackmen Edge Columbia by 65-62
Madison edged Columbia in a dual track meet here Wednesday 65-62.

The Trojans were without the services of Ed Chandler, who suffered a sprained toe in the Madison county meet.

The meet win hinged on the final event, mile relay: going into the event, Columbia led in team points 62-40. Madison's Gerald Pouncil, Larry Mosby, Dennis Hampton and Tucumsha Holmes won the last event by a 20-yard margin.

East St. Louis won the St. Clair county track meet Tuesday at East St. Louis, with Lincoln second.

Tom Stock of Belleville West hurled the shot put 62-9 to break his own meet record and teammate Jeff Schwarz won the pole vault with a new mark of 13-8.

Granite City golfers lost to Belleville West 148-162 at the Triple Lakes course Wednesday.

Individual scores: Bob Peacher 36, Tim Schwendenhan 40, Dave Roulund 41, Gary Zimmer 45, Earl Anderson 47, Bob Zelman 47 and Jack Egles 49.

Cougar Nine Wins Close, Easy Games
SIU-SW swept a doubleheader from McKendree College here Wednesday, 3-2 and 15-4.

Dan Cole knocked three homers and John Goldard two as part of the Cougars' seven home runs in the nightcap.

Miles to Build New Citric Acid Plant

Walter A. Compton, MD, president of Miles Laboratories, Inc., today announced plans for a major increase of citric acid capacity at Elkhart, Ind. Miles is a leading producer of citric acid in the world, and this new plant will increase domestic capacity by 50%. Completion is scheduled for early 1972.

In making the decision to expand at this time, Dr. Compton stated "that in spite of the large amount of capital required, our opportunities for expansion could not be ignored. Our research, production, and marketing know-how, our history of growth, the increased demand, and our responsibility to our customers were the factors that convinced us to make this major commitment."

Miles Laboratories' position in citric acid is world-wide, with additional plants in Mexico and Israel. Major applications for citric acid are in food processing, soft drinks and metal treating. These markets complement the local Union Division's other product lines: corn syrup, starch, and caramel coloring, which allow them to buy many of his ingredients from one source.

Kosary will participate in a student-faculty symposium from 10:30 a.m. until noon in the International Room of the University Center. According to SIU Professor Stanley Kimball, coordinator of the symposium, Kosary is considered the greatest living Hungarian historian. The public is welcome at the symposium.

Pension, Firearm Bills Are Reported Favorably

A bill that would relieve the income tax burden on people who have saved for their retirement was favorably reported by the Illinois House Revenue Committee this week. One of many proposed amendments to the state income tax, it will be voted on by the whole House in the next two weeks.

The suggested amendment, sponsored by Rep. Sam M. Vadalabene (D, Edwardsville), provides that interest and income coming from pension plans, provident or retirement plans—earned before the income tax effect—are not to be treated as taxable income. Rep. Horacio Calvo (D, Granite City), strongly supported the 6-9. Witnesses included Jerome Juda of Granite City, who had circulated petitions seeking the change.

A bill to allow the people of the counties of Illinois to decide whether the Firearm Owner's Identification Act will apply to them was favorably reported by the House Conservation Committee. The bill, co-sponsored by many downstate legislators, including Rep. Vadalabene, now goes to the House floor. Vadalabene called it a "realistic yet innovative solution."

It provides for a referendum within any county upon a petition by 2% of the voters. If a majority voting on the proposition vote "No," the law would not apply to that county 30 days later.

Farm Column

By WARREN W. BUNDY, Madison County Farm Adviser

Leasing Farm Machines

A few Madison county farmers lease major farm machines on an annual lease basis. They figure it is the use, not the ownership, of the machine that counts.

Farmers commonly control resources owned by someone else. Methods of control include renting land, borrowing money, renting or leasing machines and hiring jobs done on a custom work basis.

Rapid changes in technology and expanding farm business size create a need for new machines and can cause a severe strain on the normal source of investment capital. But it's possible to have the use of new machinery without the cash for a down payment.

Custom hiring the job done or renting the machine by the job or by the season can relieve a tight capital situation and keep limited capital free for other uses in the farm business.

For most farmers, the decision to purchase new equipment or machinery goes beyond deciding which brand, model, size or power-range to buy. You must also choose among various ways to pay for your purchase: cash purchase, credit purchase, or financial leasing.

To help you decide, compare the alternative financing methods in terms of cash outflow. It's not only the amount of cash outflow that's important. The timing—when the cash is actually paid out—can make a

difference if you have an alternative use for your money.

For example, if you pay cash, you will likely get a cash discount that reduces the cost of the machine. Depreciation during the life of the machine is tax deductible. Although depreciation is not a cash cost, as a tax deductible expense it reduces taxes and thus cash outflow.

When you purchase on credit, the initial cash outlay—the down payment—is lower, but you must add interest charges to the purchase price of the machine. Interest and depreciation costs are tax deductible.

Acquiring the machine by means of a financial lease involves no initial down payment. Total leasing costs, however, will be higher over the life of the machine than costs for either the cash purchase or credit purchase alternative. The annual leasing cost is tax deductible.

Comparing the three alternatives on the basis of actual total cost alone, cash purchase comes out ahead. Credit purchase ranks second and financial leasing, third. But these relationships hold true only if your money is of limited value to you. So the correct decision will be different for different farmers.

Soy Bean Research

Last summer we collected soil samples and soybean plant specimens in Madison county as part of a statewide research project to survey the minor element situation in relation to crop production.

Samples were collected from one site in each of 15 townships in Madison county. Samples were tested at the University of Illinois by spectrographic analysis to determine the content of micronutrients or minor elements.

Most of the tests fell within what we believe to be normal limits for each element. But some tests were outside the normal limits.

Tests on soybean plants in the early-growing stage showed one sample testing higher than the normal limit for magnesium. The sample came from St. Jacob township.

Three tests for zinc were higher than the highest normal limit. Such samples were from Nameoki, St. Jacob, Helvetia and Collinsville townships.

Three tests for sodium were lower than the lowest normal limit. Those samples were from New Douglas, Olive and Edwardsville townships.

The survey is a research project and does not at this time provide the basis for recommendations in regard to using minor elements. We need more information.

Some questions raised by the survey are: Is zinc present in some soils in toxic amounts? Are the low tests for sodium and the high test for magnesium significant?

Sign Language Class At Suburban Baptist

Suburban Baptist Church, 2500 St. Clair avenue, has a class each Sunday evening at the church to teach members sign language in an effort to interpret the sermons to a group of deaf people who attend the church.

The group of about 12 deaf persons range from 18 years old to a married couple in the early 40's. Mr. and Mrs. Jim Minyard, Miss Sandra Smith teach the classes under the guidance of a deaf man, Evan Evans, who also serves as co-ordinator of the program. They hope to encourage more people who are afflicted to attend services and learn to enjoy the singing which must be interpreted with words they can understand.

One of the teachers with 100 members of the church attended services at the Tabernacle Baptist Church in Brooklyn recently and demonstrated the sign program, as a result of an invitation extended by the Tabernacle church to observe "Suburban Days."

Rev. Wendell Garrison, pastor of the church, spoke on race relations and gave the sermon on "Who Is My Brother?"

School Bus Accident

A school bus driven by Helen B. Stockton, 2313 East 23rd street, carrying 28 junior high school students, struck the left front fender of a pickup truck owned by Samuel McClann, 4921 Hills terrace, which was parked at 22nd street and Madison avenue, as the bus was making a right turn at 3:40 p.m. Wednesday. None of the students was hurt. The accident report said the McClann truck was parked too close to the intersection.

Rear of Auto Struck

An auto driven by Leo Lindsey, 2608 Hodges avenue, struck the right rear of an auto driven by Catherine Kelp, St. Louis, at 3:30 p.m. Wednesday at East 27th street and Nameoki road. Lindsey was charged with a right-of-way violation.

Scout Council Budget

Annual budget action is scheduled for a Cahokia Mound Boy Scout Council executive board meeting at 6:30 tonight at the Edwardsville Flaming Pit restaurant.

Mrs. Sarah Newman, 72, Dies at Alton

Mrs. Sarah Ruth Newman, 72, of 310 Smith avenue, East Alton, the mother of Mrs. Mary Kenney of Granite City, was pronounced dead upon arrival at Alton Memorial Hospital about 11:45 a.m. Tuesday, following an apparent heart attack.

Mrs. Newman was employed at Rich's Ladies Apparel Shop in Wanta River. She had resided in Hartford for 36 years, prior to moving to East Alton about six years ago. She was preceded in death by her husband, John Newman.

Beside Mrs. Kenney, another daughter, Mrs. Margaret Rutton of Edwardsville, 14 grandchildren and five great-grandchildren, also survive.

Mrs. Newman was a 35-year member of the First Baptist Church of Hartford, where services were conducted at 2 p.m. today from John Janek, 2611 East 26th street, from his home after 10:30 p.m., was found on fire by Madison county sheriff's deputies on Cemetery road. The Mitchell volunteer fire department extinguished the fire and the car was towed to a garage.

James Legate, 2804 Willow avenue, reported at 7:45 a.m. today that his white-over-blue 1963 four-door station wagon was stolen from the parking lot at General Steel Industries after midnight.

Jack Lee Mafford, 5107 Maryville road, reported at 7:45 a.m. today that his black vinyl-over-tan 1964 two-door hardtop was stolen from the parking lot at General Steel Industries after 11 p.m.

Beer Truck Drivers to Vote on New Contract

Beer truck drivers in the Quad-City area, members of Teamsters and Chauffeurs' Union Local 525, are scheduled to vote tonight on a proposed new contract, it was reported today. Negotiations for a new contract have been under way for the past month. The old contract expires tomorrow.

A union spokesman said the new contract is one of many being negotiated in the area with individual companies and in different types of business operations. More than 80 different types of contracts are in effect within the Local 525 jurisdiction, all of them with different expiration dates.

Meanwhile the unauthorized walkout of Teamsters Local 600 continued with apparent signs of progress in a move ended the walkout. An estimated 60,000 persons are off their jobs in the Quad-City area as a result of the strike, and business slowdowns in the Quad-City area have resulted in different expiration dates.

MORE ABOUT Police Solve

Iowa street, Madison, was cut on the right hand by a beer bottle or a knife wielded by two men who followed him out of a tavern and demanded his money about 11 p.m. today, Madison police reported.

Kostoff said he left Jerry's tavern, 1346 Madison avenue, and was followed by two men who stopped him on the street outside the tavern and told him to "hand over your money."

He told officers he swam at one of the men and in turn one of the men struck at him with a beer bottle or a knife. Both men were followed by two men who stopped him on the street outside the tavern and told him to "hand over your money."

Tools stolen
Woodrow Capens, 2406 Bryn-avenue, reported Monday that a power lawnmower was stolen from her home during the night.

Florence Perkins, 2407 Cardinal avenue, reported Monday that a power lawnmower was stolen from her home during the night.

Laura Daniels, 532 Washington avenue, Venice, reported to police yesterday afternoon that a set of socks, a skirt, a quarter-inch drill and an electric soldering gun were stolen from her home during the night.

Thief from Truck
Harold F. Rush, 1106 Twenty-seventh street, reported at 2:20 p.m. Wednesday that while his truck was parked in a garage at 2201 Lee avenue, the radiator was removed, the heater hose was cut, ignition wires were pulled out, gasoline was drained, and taken from the bed of the truck were 50 feet of half-inch rope, a 63-hp tent, an 18-foot log chain, three tires, four hubcaps and an Army back pack.

A 1967 auto reported stolen at 2 a.m. today from John Janek, 2611 East 26th street, from his home after 10:30 p.m., was found on fire by Madison county sheriff's deputies on Cemetery road. The Mitchell volunteer fire department extinguished the fire and the car was towed to a garage.

James Legate, 2804 Willow avenue, reported at 7:45 a.m. today that his white-over-blue 1963 four-door station wagon was stolen from the parking lot at General Steel Industries after midnight.

Jack Lee Mafford, 5107 Maryville road, reported at 7:45 a.m. today that his black vinyl-over-tan 1964 two-door hardtop was stolen from the parking lot at General Steel Industries after 11 p.m.

tion, and Kozielek told Belloff that he was not running the meeting.

Belloff, however, managed to obtain a roll call vote, which resulted in a 7-to-1 decision against the appointments. Fourth Ward Alderman Christ Costoff voted in favor. Against were Don Reeves, Don Broyles, Klimer, Stanley Krakowick, Mike Sikora, Booker Walton and Haynes.

The acting mayor reaffirmed his right to make the temporary appointments, and Gitchoff repeated that "it is our opinion that current appointees are holdovers until appointments are approved by the council."

Finally Adjourned

Before adjournment finally was reached, Klimer told Kozielek, "You won't even operate until July 28 the way you're going."

During the meeting, it was noted that the city could not afford to pay two chiefs of police. It is the mayor who signs the payroll.

Thirty-day appointments without council approval have been in effect in the past in nearby municipalities, including Granite City, Belleville and Collinsville. Granite City Mayor Donald Partney Monday night appointed the chief of police for such a period, with consecutive reappointments considered to be likely.

Prior to the clash Tuesday night, Kozielek informed the Madison aldermen that he wished to confer with them before making council committee appointments and also on the annual budget.

On the list of appointments, some of which are unchanged from last year are:

Edward Juneau of Sheppard, Morgan & Schwaab, city engineer; Mrs. Nevenka Kacaleff, Mrs. Dorothy Shabo and Mrs. Lenna Williams, library board; Stanley Gasho, police commissioner; Gene Dwyer, police pension board; William Kravchik, playground and recreation board; William Kinder, corporation counsel.

Edward Zabotka, police chief; Elmer Smith, superintendent of streets; Christ Pashoff, health officer; Klaus Kraus, assistant health officer; Harold T. Fisk, civil defense director; Joseph Kulla, building inspector; Steve Grakianoff, assistant building inspector; Noll, Blum, Rones & Co., certified accountants.

Leon G. Scroggins, city attorney.

ney; E. J. Miller, city comptroller; Pete March, building custodian; Andrea Dubish, humane officer; Roy J. Hill Jr. and Marvin Owca, police clerks; William Dorris and John Belloff, municipal plan commission; William Guennawig, radio engineer; Hardesty & Hanover, bridge engineers; and William Fanning, utility officer.

The acting mayor delayed appointment of a fire chief pending election of officers by the volunteer fire department.

GIRL SCOUTS PLAN HIKE

An election was held by Junior Girl Scout Troop 704 of the Webster PTA Monday. The troop met with the leader, Mrs. Mae Lee, assisted by Mrs. Elizabeth Griffin.

The Fun Flower patrol led a flag ceremony and Mrs. Lee read a statement, "Duty, Honor and Country," by Gen. Douglas MacArthur. The troop was reminded of an art show May 14 at the field house at Granite City high school. Scouts work on the drawing and painting

Assistant patrol leaders were elevated to leaders. The Six Stripes patrol is headed by Carole Griffin and Julie Forye, Busy Bees by Enid Cox and Carmen Johnson, Dogwoods by Pam Williams and Pam Sartin and Chipmunks by Leisa Tervast and Shelly Siebert. Other officers elected were: treasurers, Linda Pool and Cheryl Brinkley; and scribes, Tammy DePew and Karen Tolan. Mrs. Lee and two of the scouts attended a Brownie Troop 899 meeting Tuesday to instruct third graders in the promise and laws in preparation for a joint ceremony May 19 at the school.

The session closed with singing of "Taps." Other participants were Terry Hill, Carina Kuhn, Carol Lee, Donna Long, Carolyn Norris, Shirley Patton, Rebecca Schorffriede, Janice Van Gilder, Susan Welty, Pam Williams, Vickie Williams and Patty York.

GIRL SCOUT 'HAPPENING' Several Junior Girl Scout leaders and consultants of Neighborhood Three met Tuesday in the home of Mrs. Doris Stotz, 2571 Hodges avenue, for a luncheon and to discuss plans for a "happening" to be held in the fall. Mrs. Stotz is co-chairman with Mrs. Pat Eaton.

Mrs. Jackie Watkins led the "Johnny Applesed" prayer preceding lunch. Others present were Mrs. Mary Frymoko, Mrs. Jo Ann Jarrett and daughter, Ann Marie, Mrs. Mae Lee and daughter, Hope, Virginia Marlette and guests, Mrs. Loraine Gilmore, Nancy Watkins and Kelly Smith.

Seven troops from Marshall, Niedringhaus, Sacred Heart and Webster schools will participate in costumes and the leaders will provide transportation to Camp Chan-Ya-Ta near Fraintown for a day of fun and a cookout.

Mrs. Vivian Davis, chairman of the neighborhood Girl Scout leaders, announced that the final meeting of the school year will be held at Augustine's restaurant followed by a dinner May 7. Those attending are to contact Mrs. Lee for reservations.

APRIL WSCS MEETING The April meeting of the Women's Society of Christian Service of Trinity Methodist Church held there Tuesday evening with the president, Mrs. Minnie Dillard, presiding. The chaplain, Mrs. Wanda A. Robert, led the opening prayer and the lesson on "Women in the Bible History" was given by Mrs. Thelma Gillis, who closed the lesson with singing.

Mrs. Nedra Brainard and Mrs. Gillis represented the church at a recent world service program and Mrs. Gillis gave a report on foreign missions and their needs. The WSCS discussed sending six blankets to foreign missions. The class repeated the Lord's prayer in unison. Hostesses for the evening were Mrs. Thelma Morris and Mrs. Nellie Herman.

HONOR KENNETH RANKIN
Kenneth Rankin, son of Mr. and Mrs. Duane Rankin, 500 Washington avenue, was guest of honor at a celebration Sunday at his home in honor of his confirmation and first Communion at Concordia Lutheran Church in Granite City.

Guests at dinner included his grandmother, Mrs. Harry Rankin, Mr. and Mrs. George Rankin and daughter, Kristie and Kelly, of Charleston, Ill., Mrs. Genevieve Foster and children, Karen, Terry and John, of Springfield, Mrs. August Giesler and son, Bruce, of Elgin, Mr. and Mrs. Ed Bandelow of Belleville, Mr. and Mrs. Will Triebes and children, Steve, Jim, Paul and Nancy of Edwardsville, Mrs. Marie Lewis of Venice and the honoree's sisters and brother, Denise, Pamela and Douglas Rankin.

Later that evening, a buffet supper was served to Rev. and Mrs. Arvin Twietmeyer and daughter, Shereh, Mr. and Mrs. Mike Butts and children, Tina and Ricky, Mr. and Mrs. William Fochte and children, Debbie and Matthew, Major and Mrs. Helmer Behrens and sons, Tim, Bob and Paul.

Mr. and Mrs. Edgar Kayser and sons, Alvin and Don, Mr. and Mrs. Bob Poncy and children, Cathy, Danny, Patt and Janet, Mr. and Mrs. Bill McGarrhan and daughters, Joan, Janet and Mary Beth, and the Bandelow, Triebes and Rankin families.

SR. CITIZEN DINNER

Venice Senior Citizens met Tuesday at the Lee Park recreation center with President William Meehan conducting a brief business session.

The previous meeting was reviewed by Mrs. Wesley Ziegler and a treasury report was given by Mrs. Ann Harden. A trip to Effingham June 30 was planned and Mrs. Bess Stoll is to arrange for a bus.

A pot luck dinner was enjoyed by the above and Wesley Ziegler, Al Harder, August Daniels and Mesdames Sylvia Meyers, Toni Ralstin, Bess Snell, Mary Dittman, Minnie Kuschak, Mildred Pratt, Marie Currens, Mary Lopez, Ann Hartman and Edna Miller.

Mrs. Faye Smith was hostess Monday evening at a meeting of the Yak Yak club, held at the Venice recreation center.

Games were played and prizes were awarded to Mrs. Anna Simmons and Mrs. Mary Guntner.

Refreshments were served by the hostess to the above and Mesdames Beulah Simmons, Josephine Simmons, Estella Bone, Ethel Moore, Margaret Stover and Kate Dymas.

Next meeting will be May 11, with Mrs. Stover as hostess.

BROWNS WELCOME

Brownie Troop 483 met Monday at the Ruffin home, with Mrs. Jackie Meyers welcoming new members, Christy Dickerson, Beverly Buchette, Brenda Hart, Sharon Broyles, Michelle Krusec, Anita and Rhonda Roseman, Susan Whitsell, Deanne Yarbrough and Betsy Clark.

The troop elected Betsy Clark as color guard, Sharon Broyles flag bearer, Robyn Jorgensen secretary, Susan Whitsell treasurer and Anita and Deanna Yarbrough, cleanup chairmen.

SURPRISE PARTY

Mrs. Lottie Gifford, 1 Kaesberg, surprised her daughter, Leesa and Susan, Sunday afternoon with a birthday party. The girls were played, with prizes awarded.

Refreshments were served to Peggy, Sheila, Tammy and Anna, Vicki Starlock, Vanessa Vasiloff, Judy McGee, Lisa Yarbrough, Cindy Wallace, Rhonda Rippe, Dennis McCaslin, Betty Dawdy, Brenda Crissy, Timmy and Jerry Bennett, Gary and Larry Forest and Gary and Larry Bloodworth.

The honoree received many gifts.

As the roll call was being taken, Mrs. David Vonn and Mr. and Mrs. Larry Reagan and children, Deanne and Kenny, returned home Sunday after visiting her son, George Vonn, in the hospital.

They attended two horse shows in which his two-year-old horse won first place trophies in the halter class and men's pleasure class.

LEADERSHIP PAYS OFF. Checks totaling \$400 presented Tuesday evening to Richard Cardwell, a Granite City high school senior (second from left), represent rewards for winning the Elks Southwest District Youth Leadership Contest and placing second in state-wide competition. Exalted Ruler E. David Whitsell (left) and George M. Gordon, Elks Youth Activities chairman (right), made the presentation. On hand for the ceremony was the winner's father, Kenneth Cardwell.

GC Elks Honor Youth Leadership Winner

In a special ceremony Tuesday evening, Granite City Elks Lodge 1063 officials honored Richard Kenneth Cardwell, a Granite City high school senior, who recently was selected state runner-up in the 1970 Illinois Elks "Leadership Contest."

Cardwell, a son of Mr. and Mrs. Kenneth Cardwell, 3263 Edgewood drive, was presented two checks by E. David Whitsell, Exalted Ruler of the local Elks lodge and Gordon M. Gordon, Elks Youth Activities chairman.

One check, in the amount of \$300, represented the second place win in the state-wide leadership contest. A second monetary gift for \$100 marked the youth's victory over other area contestants in the Elks Southwest District leadership competition.

The basis for selecting outstanding youth leaders for local, district, state and national contests include leadership, Americanism and citizenship, scholarship, appreciation, perseverance, neatness and arrangement of personal brochure, resourcefulness and sense of honor and compliance with instructions.

The "Leadership Contest," once sponsored annually by Lodge 1063, but discontinued several years ago, was revived this year as a service to "the outstanding youth in our community," Gordon explained. He said plans are under way to sponsor another contest this fall.

Convalescent Leave for GI Injured in Vietnam

Army Private First Class William E. Brooks, 23, injured seriously on March 8 when a grenade exploded in front of his artillery bunker in Vietnam, arrived home on 27 days convalescent leave from the U.S. Gen. Leonard Wood Hospital at Fort Leonard Wood, Mo.

Two days after the incident in March, Mr. and Mrs. Ardell E. Brooks, 4521 Walter avenue, the serviceman's parents, were advised by the Army that their son had been placed on the seriously ill list at a military hospital in Vietnam.

Brooks was discharged and third degree burns to the hands, both forearms, right upper arm and face. The private was subsequently transferred to the 106th General Hospital in Japan and later evacuated to the Missouri military hospital, where he has undergone therapy since March 27.

He has responded very well to treatment, Mrs. Brooks said, noting that the soldier's right hand and arm which was most seriously injured "is doing just wonderful."

While a patient at Leonard Wood Hospital, the local artilleryman received a gift of a cigarette lighter from fellow members of the 7th Battalion, 9th Artillery, with whom he was stationed in the vicinity of Tay Ninh, about 75 miles northwest of Saigon. "Bill also appreciates the cards and letters he received from well-wishers here at home," his mother said.

Pfc Brooks entered the Army on Jan. 24, 1969, and was assigned to Vietnam last June.

United Cerebral Palsy Opens Office in Alton

The opening of an office for the United Cerebral Palsy home service for the handicapped in Room 212, Building 273, at the Alton center of Southern Illinois University Southwestern, was announced today by A. E. Michel.

The new office will serve handicapped persons from the entire Madison county area, Michel said.

council had taken that power away from the major two months ago. Partney replied he had a legal opinion the council's action was illegal.

In the roll call, those voting for Fronabarger's reappointment were Rudelege, Whittier, Boyd, Dallas, Poulos, Daves, Jarrett and Boker. Opposed were Nann, Basarich, Pormley, Green, McFadden, Schuler and Robertson.

The appointment of Chief Veizer was submitted by the mayor.

Nann was quick to point out he was not against Fronabarger or Veizer, but that the council's ordinance for taking the power of appointment from the mayor "stands until ruled illegal."

He was rebuked by Boker, who commented, "You gave them a vote of confidence last month, why are you now trying to determine who is king pin? We agree we have two good men, why all the fuss?"

Nann replied, "I know more about this than you ever will. When we pass an ordinance, it is law until proven otherwise. You young people have a lot to learn."

'Embarrassing'

Boyd pointed out the 8-to-8 vote for Fronabarger was embarrassing and he asked City Atty. Scroggins for a legal opinion.

Scroggins replied that he had given two opinions and that he held to the opinion that the mayor has the right to appoint.

"You changed your opinion," Poulos protested.

Mayor Partney continued his gavel as Poulos pointed to the attorney, "You're crawling."

Entering the argument, Schuler pointed out, "This is not a vote of confidence for the chiefs; this is over the usurpation of authority of appointment."

Basarich added, "The mayor just slickered some of the aldermen," referring to the fire chief appointment.

The 6-to-10 vote rejecting Poulos Chief Veizer's appointment followed.

When Mrs. Margie Hall was named civilian dispatcher for the police department by the mayor, Alderman Moerlein protested, "This is a new job not established by the council."

Her appointment was voted down 6-to-12. The same vote rejected Mrs. Buttry's appointment.

The mayor then announced his 30-day appointments for Chief Veizer, and Mrs. Buttry and Mrs. Hall.

Legal Opinion Sought
Robertson called for a legal opinion next week on 30-day appointments.

With the remark, "Alderman Whittier spoke out. 'I've listened to this until I'm sick of it. This is not fair. These people are caught in the middle of the fight between the mayor public sector and the council. The motion was challenged, and after a study of Roberts

River Festival Season Tickets Now on Sale

Season tickets for the 1970 Mississippi River Festival go on sale today. The Festival, featuring the St. Louis Symphony and outstanding guest artists, opens July 2 at the Southern Illinois University-Southwestern campus.

Season tickets are available in six concert series on Thursday, Saturday or Sunday evenings, or a 12 concert series combining the new Sunday Pops concerts and either the Thursday or Saturday series. Concerts on Thursday and Saturday nights will be identical.

Ticket prices range from \$12 to \$27 for the six concert series and from \$24 to \$34 for a 12 concert series, depending on seat location. Season ticket prices represent a saving of the same number of tickets for the same number of performances. All season tickets are for reserved seats under the huge Festival tent.

Season tickets can be ordered from Powell Symphony Hall, 718 N. Grand, St. Louis, telephone (314) 532-2900.

Tickets for individual concerts and rock-folk performances will be on sale in mid-May.

Coupon books containing 25 in coupons redeemable for single tickets to any symphonic or rock-folk concert are also available for \$20, providing the same price discount as the season ticket.

Coupon books are available from the Powell Hall box office.

More About Our Depot

ington, where they will be needed to aid the depot.

Named to the board of directors were Dale Mortland of Alton, a depot employee and commander of the Disabled American Veterans chapter at Alton; John Moran of the local VFW Post 1309, Novato; Rev. Ward Barber and Robert Hart of East St. Louis.

Edw. Hagauer of the Carpenter District Council and the Southern Illinois Council of Construction business agents, representing 38 locals; Tim Burns and Leonard Giles of the Operating Engineers Union at the Depot; William Johnson of the Federal Employees Union at the Depot.

Arthur Fowler of the Alton-Wood River Federation of Labor; David Norton of the Tri-Cities United Fund; James Donegan of the USO; Hugh Hairston of the Venice NAACP; Bill Burns of Burns Cafeteria; Mrs. Marie Hampton of the Tri-City Dry Cleaners Association; Mrs. G. A. Butler of the Anchorage Senior Citizens.

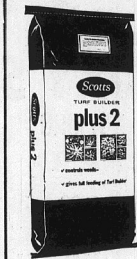

Petitions and "SODA" auto stickers were distributed to those present, and Hokin said a full-scale campaign to secure public support would be started immediately. He pointed out tons of equipment already have been hauled away from the local depot.

Rules of Order, it was determined that Basarich could not call for reconsideration, since he had not voted on the prevailing side. He criticized City Atty. Scroggins for telling him that he could call for reconsideration.

As the roll call vote did not come off, Nann remarked, "If the council doesn't put the money for the chief's salary in the budget, then he won't get paid. You can make all the appointments you want, but if you don't have the money, then they won't be working for the city very long."

The motion was returned, and the council went on to other business.

Assessment Cuts to Hit Area Hard: \$840,000 Tax Loss

By HARRY BARNES

Property assessment exemptions allowable under 1969 legislation and applicable to tax bills payable in 1971 will cut more than \$10 million from the valuation figures of the four townships of the Quad-City area, with 56% of the total loss in Granite City township, a survey by the Press-Record indicated today.

Projections based on applications already filed for real estate assessment reductions provided for homeowners 65 years of age or older, and on current assessment figures extended against personal property, the area's four townships will suffer losses of an estimated \$3,069,500 in realty values and about \$13,427,681 in personal property assessments for the 1970 tax year, for a total valuation loss of \$16,497,181.

Of the total estimated cut due to exemptions allowed under the new state laws, about \$9,317,710 will be in Granite City township. Exemptions that are projected to drop about \$2,812,994 in both real estate and personal property assessments, the area's four townships will result in an actual tax loss of \$940,000 for taxing agencies in the area.

The exemption program consists of two phases of operation in which township assessors obtain applications for exemption of \$150 in the real estate valuation of residential properties

that are owned and occupied by persons 65 or older, in one phase, and applications for exemption of household furnishings and one automobile in the second phase.

The homestead exemption program already in effect has been completed by township assessors with whom applications for the \$1500 real estate exemption were filed by eight assessors for citizens. The assessors now are making their annual personal property assessment and, at the same time, collecting applications for the personal property exemptions on autos and household furnishings.

The applications filed by taxpayers covered by the new legislation are turned over by the township assessors to the Madison county board of review which, in turn, certifies the reduction requests to the Illinois State Department of Revenue which has the final word in granting the exemptions. The City of Granite City also will be applied to the township valuations.

Could Raise Rates
Taxing agency financial officials agree that the assessment reductions will have a serious effect upon the taxing picture in the Quad-City area, as well as in other parts of Madison county and throughout the State Department of Revenue. Any reduction in assessed valuation would automatically increase tax rates proportionately on the remaining balance of the assessed valuation to provide the amount of money for which taxing districts levied. In instances where tax rates already are at a statutory maximum and cannot be raised, the taxing districts will suffer a shortage of

revenue, creating severe financial problems.

In estimating the effect of the personal property exemptions in this area, township assessors agree that about 80% of the present assessments on passenger autos will be eliminated, and that all of the existing assessments on household furnishings will be exempted.

They point out that while exemptions will be sought for about 70 to 75% of the number of autos assessed, the valuation loss will be higher because the taxpayers who own more than one car will request the exemption on the latest model with the greatest value. The law permits the taxpayer who owns more than one auto to designate which car he wants exempted.

James Barton, Granite City township assessor, reports his office received 1325 applications for the \$1500 real estate exemption prior to the March 31 deadline for this phase of the program.

GC Realty Cut
Assuming all exemption requests are approved, this would represent a decrease of \$1,987,500 in Granite City's real estate valuations.

On the basis of an estimated 80% cut in auto assessments Granite City township can expect to lose about \$4,662,500, since the current assessment on passenger cars in Granite City totals \$5,828,200 in 11,834 autos.

The existing Granite City township assessment on household furnishings, which Barton estimates will be eliminated in its entirety, is \$2,667,650.

Thus, the overall anticipated assessment loss in Granite City estimates will be eliminated in its entirety, is \$2,667,650.

Under the combined tax rate for all tax agencies in Granite City township, amounting to \$5.47 per \$100 assessed valuation, the actual 1971 tax loss on the overall \$9,317,710 assessment reduction would amount to \$509,678.

In Venice township, 450 applications for the \$1500 homestead exemption were filed with Town Assessor John Bridick, indicating a valuation cut of \$685,000 on next year's assessment listings.

In addition, the township expects to lose \$1,118,904 in assessments on passenger cars, based on the current valuation of \$1,365,000 on 4692 cars, plus the loss of \$1,029,000 in assessments on household furnishings. These exemptions represent a total cut of \$2,812,994 for Venice township.

County Sanitation Licenses Due in May

Private operators of garbage and trash disposal trucks using landfills in Madison county are being informed that they must obtain county sanitation permits during the month of May at the sanitation department in Edwardsville.

Truck inspections required before a permit will be issued will be made 9 a.m. to 4 p.m. Mondays through Fridays during the month, according to Paul T. Hawkins, county-sanitation official.

Cost of truck inspection is \$5, and a certificate of inspection is required before a permit can be issued by the county clerk. The fee for the permit also is \$5 per year.

Operators who have not obtained the permits by June 1 and fail to comply with provisions and regulations of the county ordinance will be subject to a fine not to exceed \$200 for each day the violation continues after receipt of notice from the sanitation official.

The permits will contain the name and address of the hauler, a description of the vehicle and the place where the vehicle is kept when not in use.

6 at U. S. Chamber Meeting, Hear Smith
The 58th annual meeting of the U. S. Chamber of Commerce, ending Tuesday night in Washington, D. C., was attended by Mr. and Mrs. Albert H. Froelich, Mr. and Mrs. Gene H. Sternberg, Jr. and William Tudor and Howard Colquhoun.

Froelich is president of the Tri-Cities Chamber of Commerce, Sternberg heads the Congressional action committee, Dr. Tudor is chairman of the health committee and Colquhoun is Chamber manager.

Speakers at an annual Illinois Congressional dinner they attended Monday night were U. S. Senator Ralph T. Smith, U. S. Secretary of Labor George P. Shultz and Cong. John C. Kluczynski.

Against the present valuation of \$1,231,000 on 3124 autos, the projected personal property tax reduction represents 1.3% of Chouteau township's local real estate valuation of \$19,323,770, while the projected personal property cuts amount to 21% of the total township assessment of \$7,468,480.

The overall estimated assessment reduction in Chouteau township, including both real estate and personal property totals \$1,792,457, or 6.7% of the total local valuation of \$26,750,200.

On the basis of an average tax rate of \$4.80 per \$100 assessed valuation, applicable in most parts of the township, the actual loss to township taxing districts is projected at \$86,000.

Food Theme for 1970 Agriculture Meeting May 14

Food production has been selected as the theme of the 1970 Business-Industry-Agriculture meeting of the Chamber of Commerce of the Tri-Cities, it was announced today.

The dinner meeting is set for 6:30 p.m. Thursday, May 14, at the Sunset Hills Country club. Reservations are being taken at the Chamber office.

Donald C. Bissess has been obtained as the guest speaker. He is general manager of the Agricultural Equipment Division, J. I. Case Co., Racine, Wis., and is former president of the Power Saw Manufacturers Association.

Howard Kaseberg, chairman of the Chamber's agriculture committee, will be chairman of the meeting.

Greek History Topic Of Madison Rotarians

Madison Rotarians yesterday heard a talk by Mrs. Helen Gantcheff, of Granite City, on the history and current status of Greece, where many of the laws and philosophies of the present are originated.

Mrs. Gantcheff, who has traveled extensively overseas, showed photographic slides taken during her 1969 tour of Greece with a Washington University archaeological group.

She was introduced by Alex Markuly, program chairman, and President Richard Suss presented.

McManaway Out of Race; For Kozelek

Chester McManaway, operator of a Madison insurance agency and a 15-year member of the Madison school board who said a week ago that he was "considering" his entry into the mayor's race, told the Press-Record after Tuesday's Madison city council meeting that he will not be a candidate and will throw his full support behind Kozelek.

Political sources had said earlier that McManaway, who is now school board president, was almost certain to enter the campaign for Madison mayor if Kozelek did not run. At the time McManaway said he was a possible candidate, Kozelek had just declared himself out of the running because of the City Organization endorsement of Mike Sasyk.

Judge James Monroe Is Rotary Speaker

Circuit Judge James O. Monroe spoke on divorce laws and the current legislation concerning the issue at the Tuesday luncheon meeting of the Granite City Rotary Club in the YMCA. Grad Krause, program chairman, introduced the speaker.

Judge Monroe said new legislation has been passed to benefit both parties in a divorce action.

Carl Mathias presided at the meeting attended by 45 members and Don Adams, chairman for the Modern Living Show, gave a review of the booths that have been sold and announced there are still a good selection for the show, scheduled for August at the Rink-Pavilion center at Wilson Park.

Arrested on 2 Charges After Bridge Accident

Joseph Linn Hayes, 22, St. Charles, Mo., was arrested by Venice police about 5 a.m. on charges of careless driving and failure to pay the \$6000 bridge toll following an accident on the bridge.

Police said Hayes told them he was westbound on the bridge when the hood of his car flew open, causing him to lose control and crash into the bridge railing. Officers reported his car traveled 306 feet after the impact with the bridge railing.

According to authorities, Hayes ran the toll station shortly before the accident occurred.

Shop With a Clothing Plan

Avoid impulse buying at sales and shop for clothing with a definite wardrobe plan in mind. Clothing sales offer consumers the opportunity to buy at reduced prices without sacrificing quality. But such sales may also result in buying garments that are not really needed or wanted.

During clearance sales, take full advantage, learn store policies regarding when various items will be reduced and whether sale items are returnable.

You should shop on the first and last days of a sale. The best selection is generally offered the first day, and further price cuts may be offered on the last day.

The wise shopper knows what she needs and wants when she goes shopping. Aimless bargain-hunting can mean wasted time, money and energy as well as useless buys. Try to know the original price of sale items so you can be sure the purchase will be a bargain.

Examine merchandise carefully and be sure to try on articles of clothing, as sale items usually cannot be returned. When buying seconds and irregulars, inspect them carefully so that you do not buy garments with flaws that will affect wearing quality.

Convenient Machines

The coin-operated dry cleaning machine rates a place among the most convenient and economical services in our do-yourself age.

Most coin-operated cleaning machines will take an eight-pound load. Tumbling action produces the most effective cleaning job. Therefore, large, bulky pieces, such as coats or snowsuits, should be loosely loaded—even if the load weighs less than the maximum.

Draperies should be cleaned separately. They are subject to sun fading, heating fumes and water spots, all of which may effect the final outcome of the cleaning process. The machine can perform wonders, but it can't restore damage done before draperies are cleaned. So if there is any question in your mind, ask the attendant.

Check clothing for spots and stains before you load the machine. Sprinkle the stain at once, if possible, with lukewarm water, or use the spotting spray at the coin-operated cleaners. Brush the stain lightly, as rubbing may damage the fabric or color.

Occasionally, stains such as ink, paint, perspiration or mustard require special treatment. In such instances it is recommended that you take the clothing to your regular dry cleaners.

Sorting for cleaning can be done just as sorting for laundry is done. For most satisfactory results, button sweaters and turn them inside out. However, coats should remain open. Fasten zippers and any other closures on dresses and shirts.

Check the Lint Trap

If you are having trouble with your clothes dryer, check the lint trap before you call the repairman. Homemakers often neglect to clean the trap—a basic care job.

A clogged trap reduces air circulation so that drying is slowed. By checking the trap for several weeks, you will know how often the cleaning job should be done. More frequent attention may be necessary during the winter because of the pile fabrics used in cold-weather garments.

Indoor Gardening

Growing African violets not only provides year-round flowers in the home but also the pleasure of a satisfying hobby. The African violet makes an ideal flowering house plant because it thrives in normal house temperatures and blooms almost continuously. And unlike many house plants, it will grow and flower under the low light intensity found in the average home.

A University of Illinois publication, "African Violets," gives complete information on this home favorite. The authors explain the conditions needed for growth and flowering, propagation, varieties, care and diseases.

The great number of varieties and the ease with which African violets can be propagated make them appealing to collectors. The circular lists some of the best of the newer varieties, together with some of the older ones that continue to be popular.

For a free copy of this illustrated 32-page circular, contact the Extension office at 900 Hillsboro, Box 68, Edwardsville or call 656-6862.

Serve Dried Fruits

For Needed Iron If you're looking for new and different ways to boost the amount of iron in your daily diet, eat dried fruits.

Three figs, six dates, two

peach halves, five prunes, six apricot halves or one-fourth cup of raisins contain as much iron as one egg.

Homemakers have recently become more concerned about the amount of iron in their diets. In fact, the minimum daily iron requirements were increased last year by the Food and Nutrition Board of the National Research Council.

Raisins have always been rated a good buy nutritionally. But all dried fruits become good buys when you consider you pay only for the fruit, not water.

Dried fruits also rate high as convenience foods. In addition to being lightweight, they pack well for lunches and can be eaten right from the box.

To maintain best quality, store dried fruits in a cool, dry place. Cooked, dried fruits will be more plump and flavorful if refrigerated several hours before serving.

For best cooking results, follow the package directions. If sweetening is desired, add it at the end of the cooking cycle. Adding sugar at the beginning makes fruits less tender and less able to absorb moisture.

Keep Kitchen Knives Sharp

Sharpen good kitchen knives, on an oil stone or an electric knife sharpener. An electric sharpener reduces the chance of ruining the blade. Using an oil stone successfully requires experience.

Only, Oldest, Youngest Children

Although there is no typical only child, oldest child or youngest child, studies reveal some interesting trends.

From the earliest times, people have expressed many general opinions about such children. For instance, only children are "spoiled" and young; eldest children remain "babies."

No evidence supports the claim that only children are more emotionally unstable, have more scholastic problems or are more spoiled than non-only children.

Children who have brothers and sisters are affected differently by the number and sequence of boys and girls in the family. Several studies show that more oldest children tend to be serious, studious, conscientious and responsible. It is interesting to note that a high percentage of the early astronauts are only or eldest sons.

More youngest children tend to be cheerful, gay, carefree and independent. But at the same time, youngest children may have a "chip-on-the-shoulder" attitude in looking out for their rights and possessions.

Middle children sometimes feel lost in the shuffle, with neither the privileges of the oldest nor the indulgence given the youngest. Middle children may be more social but also more irritable and stubborn with the family.

While studies have revealed trends many factors operate throughout the child's life to mold and form his individual self. Much depends on the home setting and parental Television and Children's Attitudes

The amount of violence and aggression on television causes parents to wonder about its effect on children.

One study of children who were avid TV fans found that their attitudes toward law enforcement included these beliefs:

Sheriffs are dishonest. Criminals are treated mean. It's all right to "beat-up" criminals. Criminals are "smart."

Even though children do not imitate violent, cruel and unsocial acts seen on TV, the constant diet of such viewing blunts sensitivity to human suffering, say some child psychologists.

Children need more direction and control over their leisure activity than they do over any other form of play.

Teamsters Local 525 To Close Office Here

Teamsters and Chauffeurs' Union Local 525 plans to close its offices in its present headquarters building at 1818 Delmar avenue, and sell the property, a union official disclosed today.

Arthur Krause, business representative of Local 525, said that all union operations will be moved to the Alton office. He pointed out that the Granite City offices have been used recently only as a health and welfare office and not as a center for general union activities.

He said an appraisal is now being obtained for the property and that the building and ground will be offered for sale. No definite date for closing the office has been set. Krause said this will depend on how long it takes to find a buyer.

GCS Employee Bags 8 In Rattlesnake Hunt

Bob Younger, a Granite City steel Co. employee, who doubles in his spare time as a fast-draw gunman at various contests and benefit events, returned this week from Okemah, Okla., where he took part in the country's largest rattlesnake hunt.

A total of 4100 pounds of rattlesnake meat was tallied by the 900-plus hunters who participated in the annual three-day meet, which was observed at varying times by close to 16,000 spectators. Crowning of a snake hunt queen and related activities conclude the event each year.

No weapons are allowed in the hunt other than use of a loop or hook attached to a pole, enabling the rattlers to be captured alive. The local area hunter caught eight snakes, which he brought home. Younger will appear this summer as a featured performer in the Granite City Jaycees International Rodeo, set for July 18 and 19 at Tri-City Speedway.

Mount Zion Baptist Church, 21st and Benton streets, will hold a Revival May 4-10. Larry Hunt, the featured evangelist, is a young man from Dale, Ill., who has worked at a mission church in New Mexico. The services will begin each evening at 7:30; a nursery will be provided.

Charge is Filed

Virginia Taylor, 35, of 1712 Kennedy drive, Madison, was charged at 2:45 p.m. Tuesday with deceptive practices in a contract signed by Louis Cohen. She was released on recognizance bond pending a hearing on Tuesday.

Sunday Rock Concerts

Start at SIU-SW

Devotees of rock music are invited to attend a series of free "rock concerts," being staged from 1 p.m. to 6 p.m. each Sunday on the Southwest campus of Southern Illinois University. The sessions started last weekend, attended by 200 to 250 persons.

Larry Keel of Granite City, an SIU-SW senior, majoring in philosophy and organizer of the open air concerts, said the sessions are for fun and enjoyment, and approval was granted by the SIU-SW Student Activities committee.

"We hope to continue the Sunday afternoon sessions through the spring quarter and possibly into the summer months," he said today.

The music groups are expected to include students from SIU-SW, Washington University and other colleges in the two-state area. Keel said, "All are donating their services," he pointed out.

Keel stressed that no alcoholic beverages are permitted on university property and asked those attending to comply with campus regulations.

Hits Utility Pole

The front of an auto driven by Theibert Stovall, 315 Weaver street, Venice, was damaged about 3:30 a.m. today when it crashed into a utility pole in the 1300 block of State street, Madison. Stovall told the police he was southbound on State street when he lost control of the car.

Two Charges Filed Against GC Man

Charges of battery and disorderly conduct were placed against Jack W. Maxville, 25, of 89 Kaseberg Park, who was arrested at 8:50 p.m. Tuesday following a fracas at the Tri-Cor Medical building. The battery charge was filed by Dr. Terry Randall.

Police were told Maxville became upset when special treatment was recommended for his four-year-old son. He was released on \$150 cash bail.

Traffic Ticket Charge

Thomas R. Pickard, 121 Hampden avenue, Venice, was issued a traffic signal violation ticket at 12:25 p.m. Tuesday at Niedringhaus and Madison avenues.

WELCOMING, DIRECTORY, PLAYGROUND COMMITTEES

The Arlington Heights Civic Association met Monday evening at the Arlington golf club with Mrs. June Toorlgian presiding.

A committee was formed to welcome new residents into the area. Mrs. Faye Hester was appointed chairman, with Mrs. Loretta Rakowski, Mrs. Elsie Lanterman and Mrs. Francisca Rawden to work with her.

Mrs. Judy Laughlin was appointed chairman of a committee to prepare an Arlington

Heights directory, which will include bylaws of the association, emergency telephone numbers and a listing of all current residents and property owners.

These, when completed, will be distributed to all area residents and will be presented to new residents by the welcoming committee as they move into the area.

Working with Mrs. Laughlin on this project will be Mrs. Rawden, Mrs. Rakowski, Mrs. Hester, Mrs. Toorlgian, Mrs. Faye Mercer and Mrs. Roberta Arbeiter.

A committee was formed to look into the feasibility of clearing off a section of ground, previously used for horses, to be used as a ball diamond and picnic area. Heading this committee will be Ken Davis, and working with him will be Frank Arbeiter, Jim Laughlin, Jim

Pohlman and Kelly Dutko. Selected to attend township meetings were Bill Mormon, Adam Toorlgian and Edward Lherick.

PREPARE FOR BANQUET

Brownie Troop 1136 of Lake school met Tuesday in the school kindergarten room under the leadership of Mrs. Mary Lou Hudson, Mrs. Ruth Buer and Mrs. June Ramsey, co-leaders.

Brenda Hudson, president, led the troop in the pledge to the flag and the Brownie promise and Dana Buer called the roll and collected dues.

Answering roll call were Julie Adams, Dana Buer, Kim Filloff, Cindy Granger, Melody Hand, Tammy Hanfelder, Brenda Hudson, Beverly Jones, Robin Lorenz, Marsha Madison, Debra Nation, Shelby Pohl-

man, Lori Ramsey, Sharon Sackett, Vicki Singleton, Cheryl Stagsdill and Lisa Ybarra. Also in attendance were ten girls who will be members of the troop next year. They were Kimberly Hand, Lila Hudson, Sheryl Hutchings, Taina Kilpoun, Tracy Millard, Dana Ramsey, Jill Robertson, Lea Salem, Dawn Winters and Leslie Ybarra.

Brownies are now members of the troop made invitations for their mothers, inviting them to attend a mother-daughter banquet Wednesday, May 13, in the school gymnasium. They were reminded to bring silverware and a covered dish.

Prospective Brownies made "good deed leaves" to be used at their investiture, tentatively set for June 2. A mother-daughter tea will be held after the investiture ceremony.

HOSTESS TO PINOCCHIO CLUB

The Twilight Pinocchio club met Monday evening with Mrs. Kathy Dumoulin.

A dessert course was served and prizes in games were won by Mrs. Sandra Bray, Mrs. Marie Miller and Mrs. Betty Meyer.

A dessert course was served by the hostess to the prize winners and Mesdames Lucille Broyles, Mairretta Wambaugh, Maryann Sveiza, Karen Broyles and Doris Hendricks.

The May meeting will be with Mrs. Karen Bray.

Head Start, Kindergarten Registration Set in Madison

Registration for Head Start and kindergarten classes in the Madison school district will be next Tuesday, Wednesday and Thursday at Harris and Blair schools.

Pupils who attend kindergarten at Dunbar and Blair school may register from 9 a.m. to 3:15 p.m. at Blair school.

Those attending Louis Baer and Harris schools may register from 1 p.m. to 3:15 p.m. at Harris school.

To be eligible to enroll in kindergarten a child must be five years old on or before Dec. 31. A fee of one dollar and a birth certificate or other legal proof of birth date must

be presented at time of registration. Registration for Head Start will be at the same time as kindergarten. The age requirements are the same.

Head Start will be open to every child in the district who meet the age requirements, however, preference must be given to all pupils in a housing development who meet age requirements; families on ADC or other forms of relief; parents in military and income of family.

Wilkinson and Roberson Wedding in El Paso, Tex.

Miss Elaine Roberson, a daughter of Mr. and Mrs. John Roberson, 3124 Ash avenue, and Pfc Gary Wilkinson, whose parents are Mr. and Mrs. George Wilkinson, 3166 Jill avenue, were married Monday evening in the chapel at Fort Bliss, El Paso, Texas.

The ceremony was performed by Chaplain Capt. R. L. Lewis. Attending the couple were

Mr. and Mrs. Avis Boyd of El Paso.

The bride wore a street-length dress of white chiffon designed with a dropped waistline edged with white satin ribbon and an accordion pleated skirt. Full length sleeves ended at the wrists with ruffles and ruffles edged the rounded neckline. A headpiece of white lace and net and a noisepiece veil were held in place with an arrangement of white feathered mums and the bride carried a tear-drop bouquet of white feathered mums.

A candlelight dinner for the wedding party was held at a Holiday Inn directly after the service.

The former Miss Roberson, who has been employed by a St. Louis department store, is a 1968 graduate of Granite City high school. Pfc Wilkinson, who is stationed in Texas, graduated from the local high school in 1966.

WIVES BOWLING LEAGUE HOLDS ANNUAL BANQUET

The Granite City Wives Bowling League, who have participated in a bowling league during last fall and this spring at the Granite City Army Depot, held their annual banquet on Monday at the Officers Club in the La Granada room.

"The VIPs" ended the season as the first place team. Members included Lois McCordie, Elizabeth Romine and Theo Bush.

Most improved bowler award went to Beverly Roberts and the W.B. winner for a high series was Daria Carr and Lois McCordie for a single game.

Eight teams attended the banquet luncheon.

SURPRISE SHOWER FOR MISS BALZER

Miss Sharon Balzer was honored at a surprise personal bridal shower given this week by Mrs. Chris Slavik and Miss Barbara Brown.

The wedding of Miss Balzer and Walter J. Smoski will take place June 6 at Holy Rosary Catholic Church in Fairmont City.

Yellow and white were the colors combined in the decorative scheme and a bride doll held the place of honor on the buffet table. The party was held at the Brown home, 2632 Madison avenue.

After the gift packages were opened, the guests took part in games and prizes were won by Miss Janis Marchand, Miss Janice Timko, and Mrs. Rita Smoski, mother of the prospective bridegroom.

Others present were Mesdames Adele Balzer, mother of the bride-to-be, Jacqueline Perez, Patricia Oser, Anita Brown, Elaine Brown and Misses Marie Zimmer, Sandy Brown, Marina Catto, Diane Lawler and Cindy Balzer.

GC Council Honors Three Employees

Special recognition was given several city employees during Monday night's meeting of the Granite City council.

A certificate of appreciation for 23 years service to the city was presented to Mrs. Gladys Heely, assistant city comptroller, who is retiring today. The presentation was made by Mayor Partney, and Mrs. Heely received a standing ovation from the council and spectators.

Also given rounds of applause were Robert Jackson, sewage treatment plant superintendent, and his assistant, Ernest Hubbard, for the trophy won in state competition with 100 other cities in competition for excellence in operation of a treatment plant.

The men were introduced by Alderman Basarich, chairman of the treatment plant committee, who displayed the trophy.

City Lists Fund Status as Year Nears End

Granite City had balances to supplement its various account balances.

The reports showed the city 1 as the city went into the final month of its current fiscal year, according to financial reports prepared by City Treasurer E. R. "Pat" Rich and Comptroller Robert Stevens.

Revenue during the 11-month period amounted to \$3,011,348, of which \$1,674,996 was in taxes, and \$1,000,401 was in transfers from the general reserve fund, the officials reported.

The general levy fund as of March 31 contained deficits in seven of the 29 different accounts, the largest of which amounted to \$30,275 in the maintenance of sewers account, according to the reports.

The sewer maintenance fund had total income during the 11 months of the fiscal year amounting to \$322,581, with expenditures of March 31 of \$542,856. Expenditures for repairs to the city's widespread sewer breaks are known to well exceed the amount paid out through last month, but the payments have not yet been reflected in the fund's disbursements. Most of the sewer maintenance fund amounting to \$488,120 was made available from the general reserve fund since the city has a tax rate of only two cents per \$100 valuation for sewer maintenance purposes.

Other deficits in general fund accounts include \$2322 in the fire department account; \$214 in the city hall account; \$187 in the police department account; \$480 in the humane department account; \$4700 in the municipal retirement fund account, and \$882 in the air pollution control board account. These deficits are expected to be retired this month with funds transferred from the general reserve fund.

Con-Con Proposes Education Board Named by Regions

First reading of the first two sections of the proposed Education Article of the new Illinois Constitution, which agree that education is a "fundamental goal" of the state and that a State Board of Education would be "elected or selected" on a regional basis, has been completed by the Constitutional Convention, it was reported today.

The convention is expected to begin debate this week on the section on state aid to non-public schools.

The convention also has completed first reading of two proposed sections of the Judiciary Article. One section of the article would require that magistrates meet the same requirements as judges, while the other section would give the State Supreme Court discretionary powers in direct appeal from the circuit courts, except in a sentence of death.

In committee actions last week, it was reported, the Executive committee voted 6 to 5 to have an elected state treasurer; voted 6 to 4 to set the age of 25 as a requirement for all Constitutional Executive officers — which includes the governor — and voted 7 to 3 to have all state executive officers elected in even-numbered years between presidential elections in order to separate state and national issues.

In other action, the General Government Committee gave preliminary approval to the concept of including a separate article on Environmental control in the new constitution.

COMMANDER HONORED. Navy Lt. Cdr. Billy L. McLeod (right), 1604 Spring avenue, receives the Navy Commendation Medal with Combat V from Army Col. Charles A. Lewis, field office commander.

Navy Officer Receives Commendation Medal

Presentation of the Navy Commendation Medal with Combat "V" was made recently to Navy Lieutenant Commander Billy L. McLeod, 1604 Spring avenue, who is currently assigned as chief of the Storage Branch, Personal Property Division, at the St. Louis-based Military Traffic Management Command (MTMC).

Lt. Cdr. McLeod was awarded the medal for meritorious service in Vietnam as supply officer for the Naval Mobile Construction Battalion One during the period July 1968 to January 1970.

During his 18-month tour of duty in Southeast Asia, the naval officer was instrumental in providing supply services in support of the free world combat effort throughout the Northern I Corps Tactical Zone and in the Mekong Delta area in South Vietnam.

Lt. Cdr. McLeod is the son of Mrs. Lena McLeod of Lamar, Mo.

Superior Performance By Terry Duccini

Terry Duccini, 2816 East 24th street, employed at the U. S. Army Military Equipment Command in St. Louis, has been honored by the Department of the Army.

He received a certificate of commendation for sustained superior performance of his duties in the Construction Systems Branch, Directorate of Supply. The award was presented at special ceremonies at the command headquarters, 4300 Goodfield Blvd.

Ozark Youth Hostels Plans Boat-Bike Trip

How would you like to board a riverboat near the Gateway Arch... ride up the Mississippi through the locks to Alton... then join dozens of bicycle riders, young and old, for a leisurely ride up the scenic McAdams Parkway?

That's what the Ozark area council of American Youth Hostels, Inc., will be offering for the "young at heart" of all ages Sunday, May 17. AYH has chartered the excursion boat, Mississippi Belle, for the unique, day-long trip.

Upon arrival in Alton, cyclists will select one of three groups for a long, medium or short ride up the Great River Road. For those without bicycles, there will be a fourth group, led by an Alton historian, which will take a walking tour of the picturesque hill city.

The AYHs will cruise downriver in late afternoon, docking near the arch about 6 p.m. Boat capacity is 120. Tickets are \$3.50 and advance reservations are necessary.

Additional information and tickets may be obtained by mailing list for future AYH activities to American Youth Hostels, P. O. Box 13069, St. Louis, Mo. 63119.

In-Service Workshops Planned in Madison

Two in-service workshops will be held for teachers in the Madison public school district at 1:15-3:45 p.m. tomorrow and next Thursday in the high school cafeteria. Classes will be dismissed both days at 1 p.m.

Speaking at tomorrow's workshop on "Sensitivity" will be Dr. Joseph Durham, professor of education at Illinois State University at Normal.

To discuss "Drugs" next week will be Dennis Nicholas, assistant chief deputy sheriff, chief county juvenile officer and president of the Madison county narcotics squad.

Workshop on Drug Abuse Set by Student Council

The Granite City high school Student Council will sponsor a day-long educational workshop on drugs starting at 9 a.m. May 9 at the school.

The workshop is open to all high school, junior high school and seventh and eighth grade parochial school students in Granite City.

John Harizal, the council's drug committee chairman, and Jan Buga, co-chairman, said the purpose of the program, designed by Pete Garich, is to alleviate ignorance of the drug abuse problems.

Most persons, they said, have little knowledge of the effects or consequences in the use of drugs, and hopefully, once they have the facts, they may make a decision beneficial to themselves by avoiding the use of drugs.

Reasons for Abuse

They said students will be made aware of the reasons for drug abuse, among them:

People use drugs to get over some academic, emotional or physical stress or crisis with which they cannot cope.

People who are insecure and feel that they do not fit into their groups rely on drugs to give them a lift or to get them in position to ignore the problem or inadequacy.

Younger people use drugs for kicks and to impress others by the different state of being that exists but disregard the chances for negative outcomes.

Drugs become a tool for those who are against the establishment or those who desire to be rebellious, disregarding laws and those who get a kick from

having a state of confusion or turmoil.

For many abusers' drugs are used as a crutch to avoid the real problems in their lives.

Personality Needs

Some persons use drugs to alienate themselves from society, manipulate and use others in satisfying their personality needs.

Some use drugs as a ritual as a type of religious practice or as a cult effect, such as practiced by various Indian tribes.

A proportion of the abusers use drugs as an alternative to self-destruction, but as usual the outcome will be self-destruction after a period of time.

Relentlessness creates a dependence on drugs which can be obtained either legally or illegally.

The curiosity seeker sometimes cannot resist the temptation for the initial trial, and under group pressure, one might be willing to try drugs without really knowing what he is getting into.

The chairman remarked that it is difficult for people to face the reality of the drug situation and many communities are covering up the vast problem.

Seminar Goals

From a statistical viewpoint, they said, it is known that the problems will not eradicate themselves; so the goals of the seminar are:

For students to learn proper respect for drugs; to learn the medical use of drugs; to learn the contents of drugs; to expose youth to the consequences of drug abuse; and to put students in touch with professional persons who work in the area

Apollo Landings Theme Of Student Council Meet

"Leaders Leave Footprints" — a takeoff on the recent Apollo moon landings, was the theme for the 1970 state convention of the Illinois High School Association of Student Councils during the weekend in Chicago. The event was hosted by Alton high school.

Granite City representatives were Debbie Peterson, a senior; Paula Mathis, a sophomore; and John Harizal, a junior who represented the Kaskaskia district of which he is president. Mr. and Mrs. James Jeffries were advisors for the group.

Keynote for the convention was Rev. Thaddeus O'Brien, O.C., associate superintendent of schools for the archdiocese of Chicago.

Rev. O'Brien, who holds a B.S. in philosophy and an M.A. in education, stressed the importance of leadership by example rather than dominance.

He said that it is important "to use things and love people, not love thing and use people." He also said that it was useless to replace brute administrative forces with brute student force.

Following through with the theme discussions were held on:

Sasyk Signs Changed As Campaign Starts

The deadline for filing is a month away and the election itself is three months distant, but feeling already is running high in the Madison city clerk, who lives at 1019 Grand avenue.

When Patrolman Edward Goelan responded to the call he was met by Belkoff and Mike Sasyk, candidate for mayor who has the endorsement of the Madison City Organization. They showed Goelan a campaign sign in Belkoff's front yard which once proclaimed: "Sasyk for Mayor."

Goelan reported the sign had been freshly repainted to read: "Kozielek for Mayor" in reference to the campaign of acting mayor Ray Kozielek, who also has announced his candidacy for the mayor's post.

The officer said that about two blocks away, he was met by another man who showed him a similar Sasyk sign that had been repainted in the yard at 1206 Grand.

In a separate report, Albert V. Topal, 1018 Fourth street, told police a "Sasyk for Mayor" sign had been stolen from his front yard.

Public Hearing Set On Route 157 Design

A public hearing on the design of the relocation of Route 157 from Interstate 270 south to Route 35 will be conducted by the state division of highways July 15 at the Farm Bureau building at Edwardsville.

Maps, sketches and other information pertinent to the determination of the design of the improvement are available for public inspection at the office of the District Engineer, Illinois Division of Highways, French Village.

Two Men Charged in Trading Stamp Theft

Madison police have filed charges against two men in connection with the April 14 break-in at Bob Naeve's service station on McCambridge avenue where \$150 worth of trading stamps were stolen.

Authorities said they filed a burglary charge against Floyd Leonard Wallace, 24 of 2014 (r) Edwardsville road, and a charge of theft under \$150 against George M. Turner, 2126 Washington avenue, who has been fined \$100 and costs on the charge. Other charges are pending against Wallace in Granite City, police said.

The charges in the service station burglary were filed after police traced a license number obtained by an attendant at a service station where two books of the stolen stamps were traded in. The attendant took the license number when the man who cashed in the books gave him a John Smith name and a fictitious address.

2 Servicemen from GC Family to go Overseas

The son and son-in-law of a local couple will leave shortly for service in Southeast Asia. Both departed earlier this week for military bases in the United States, prior to assignment overseas.

Army Private First Class Douglas H. Wickham, son of Mr. and Mrs. Joseph Wickham, 2387 Dogwood drive, will report today at Fort Dix, N.J., for assignment to a specialist unit in Vietnam. He has spent the past 15 days home on leave.

The serviceman, who is married to the former Miss Brenda Stedham of Granite City, recently was graduated from a helicopter maintenance training school at Fort Eustis, Va. While the soldier is overseas, Mrs. Wickham plans to reside here with her parents.

The Wickham's son-in-law, Air Force Capt. Robert P. Brenizer, an electronics officer on the Air Force's strategic B-52 bomber, currently is stationed with the 22nd Heavy Bombardment Wing at Riverdale, Calif.

He is married to the former Charlotte Wickham and the couple has two children, Robin and Douglas. The service family also has spent a furlough here and with Capt. Brenizer's parents in Pontiac, Mo.

Capt. Brenizer will leave the California base in June for duty on Guam, Okinawa and in Thailand, where his operations unit will fly bombing missions in South Vietnam during "Operation ArcLight." It will be his second tour of duty in Southeast Asia.

Prior to the departure early this week of Capt. and Mrs. Brenizer, their children and Eric Wickham, Mr. and Mrs. Joseph Wickham entertained at their home with a family barbecue.

The event was combined with a birthday party for another granddaughter, Linda Akeman of Granite City. The elder Wickham is past commander of Quad-City Amvets Post 31 and is active in many programs sponsored by the veterans' organization.

GC 'Acre of Art' Show Scheduled for Monday

Granite City schools' "Acre of Art" show will again take place this year on Monday, May 4, from 6 p.m. to 9:30 p.m., with an expected 13,000 paintings and crafts from the school's art and senior high art are exhibited on the walls of the gym.

This annual show provides students at all grade levels an opportunity to exhibit their art work before the public. As many children as possible are represented in the exhibit.

Alassi said, "It is the general aim of the art education staff, through its Acre of Art show to establish, to encourage and to develop a strong cultural influence in the community."

The art is invited to visit the display, admission free.

SUPERMARKET "SHOWOFF" Richard Johnson (second from right), store manager of the Tom-boy Food Wagon Supermarket at the new shopping center at 4100 Pontoon road, answers questions directed to him by South African businessmen touring his store.

Services Held Today For A. V. Lindley, 71

Funeral services for Algy Vernon (Jack) Lindley, 71, of Shirwin drive, were conducted at 2:30 p.m. today, with burial at Sunset Hill Cemetery. Mr. Lindley was pronounced dead upon arrival at St. Elizabeth Hospital at 9:23 a.m. Monday. He had been ill for five years. Prior to his retirement, Mr. Lindley, owned and operated the Lindley Trucking Co. in Granite City for 10 years.

Overseas Visitors

Tour Supermarket Here

The new shopping center, Gaslight Plaza at 4100 Pontoon road is yet to have its grand opening but it has held a world premier complete with more than a dozen photographers.

Twelve businessmen from the Union of South Africa toured Gaslight Plaza's modern Tom-boy Food Wagon supermarket recently as part of a world tour to study marketing techniques. Each of the dozen businessmen was armed with a camera and photographed various parts of the store while a Press-Record photographer took pictures of them.

They were guided through the up-to-date market by store manager Richard Johnson. Johnson responded to questions concerning marketing advantages and conveniences to shoppers of various features of the store. The South Africans had already completed the European portion of their world tour and had visited several large cities east of the Mississippi. But the local new supermarket drew exclamations in English and the Dutch languages and vigorous camera work.

All of the visitors are executives from many different South African cities of the South African Breweries and naturally the beers display received some special attention. But South African Breweries own about 500 stores in addition to producing 11 brands of beer and the visitors focused their attention and cameras to other spots.

They noted features which might also be surprises to Quad-City shoppers, including high-rise shopping carts, cash register checkout methods, easy to view and use freezers and an in-store delicatessen.

The South Africans are next traveling to San Francisco and the West Coast region.

Fined on Two Charges, Grand Jury Gets Third

Level Williams, 40, of 511 Mercedia street, Venice, arrested in connection with the shotgun wounding of a 23-year-old Venice woman, paid fines of \$200 and costs of \$20 on two charges and was held to the grand jury on a third charge of aggravated battery, Venice police reported Tuesday.

Williams was arraigned before Magistrate Mateosian and fined \$100 and \$10 costs on a charge of failure to possess a gun owner's identification, and a similar fine on a charge of unlawful use of a weapon, police said. He was released on bond pending grand jury action on the battery charge.

The defendant was charged with shooting Veverly Isaac, 23, of 1105 Bissell street, about 12:20 p.m. Sunday outside the Isaac home. The woman suffered a wound to the right shoulder from a blast from a 410 gauge sawed-off shotgun.

Council Debates Pay Increase And New Budget

A \$151,832 budget for the Granite City public library was submitted to the city council Monday night and was referred to the Finance committee for recommendation.

Council members presently are in the initial stages of budget building for the new 1971-72 fiscal year which begins tomorrow.

The proposed budget for the library is \$23,015 over last year's budget figure.

Also proposed Monday night was inclusion in the city budget of the amount of \$40,000 for rewiring the city hall and \$15,000 for a fence along Route 151 through West Grove.

Both were referred to the Finance committee.

Council members discussed briefly pay increases for city employees, and a motion was approved that any wage boosts given would be retroactive to May 1.

Last year, the council agreed upon \$30 monthly increases for policemen, firemen and sewage treatment plant workers.

Increases for other employees are in the hands of a negotiating committee headed by Alderman Robertson, who said again he failed to find any money just to give pay increases.

"I don't believe any alderman will vote to borrow money just to give pay increases," Nunn added.

Schuler pointed out, "We agreed to these increases last year and I don't see how we can crawl out of it."

Joining the discussion, Moerli, chairman of the Finance committee, said he did not object to pay increases, but that the council has to keep a close watch on the money problem.

"There were several equipment purchases we postponed this year that will have to be undertaken in the new fiscal year."

The budget discussion ended when Boker remarked he felt the budget work by the council was too haphazard. "We should be thinking ahead and working on budgets a year or more in advance instead of waiting until July with many special meetings just to adopt a budget to cover a year that already is two months old."

**Symphony Group
For Youths in Area**

The Women's Association of the St. Louis Symphony Society announced the formation of the St. Louis Symphony Youth Orchestra, an organization for young musicians between the ages of 12 and 21.

Named as conductor and musical director of the new organization is Leonard Slatkin, assistant conductor of the St. Louis Symphony Orchestra.

In a letter to educators of the metropolitan area, Slatkin stated that the aims of the St. Louis Symphony Youth Orchestra are "to find the highest caliber of young musicians in the area; to bring them together to learn orchestral repertoire and the pleasures of good music making; and to encourage and promote musical activity within the framework of the music education system."

Special emphasis will be placed upon introducing the young musicians to the environment of a professional orchestra. The group will investigate symphonic music within the atmosphere and surroundings of the St. Louis Symphony Orchestra.

The symphony's guest conductors will be invited to lead the Youth Orchestra rehearsal, and Conductor Walter Susskind will take an active role as well.

Park District to Host State Hula Hoop Meet

Wilson Park rink pavilion will be awash with hula hoops this summer when the Granite City park district hosts the state championships of the National Hula Hoop Contest on Saturday, Aug. 1.

Harold Brown, park district superintendent, today announced that Granite City has been selected as the site for the state championship event, which will match winners of city-wide contests from various sections of the state. State contests previously were held in Chicago.

Local finalists participating in the National Championships at University Studios in Hollywood, Calif., in late August.

Local youngsters took part in Hula Hoop competition last summer for the first time. J. J. Kirkpatrick, nine years, 3702 Kirkpatrick Home, emerged the city champion and received an all-expense trip to Chicago for the state contest.

Sixteen Illinois communities already have registered their intention of holding local contests and plan to send winners to the state championship here, the park official said.

**Howard Joyce, 49, DOA;
Apparent Heart Victim**

Howard Joyce, 49, of 2743 Sunset drive, a millwright, was pronounced dead upon arrival at St. Elizabeth Hospital at 12:35 a.m. Tuesday. He was taken to the hospital by ambulance after suffering an apparent heart attack at home.

Mr. Joyce complained of feeling ill with chest pain about 12:15 a.m. Tuesday, a short time later was found on the kitchen floor by Mrs. Joyce. Early Monday, he also reported chest discomfort, but believed the cause to be indigestion.

He was born in Dover, Tenn., and had resided in Granite City since the age of 14, coming here in 1935. He had been employed for 29 years as a millwright at Granite City Steel Co. He was a member of the Baptist faith.

Beside his wife, Mildred, Mr. Joyce is survived by two sons, Gene and Dennis Joyce, both of Granite City; three brothers, Earl, Harold and Robert Joyce; and his mother, Mrs. Edith Ernest, all of Granite City.

Funeral arrangements are given in today's obituary column.

**Door Forced Open,
Intruder Startled**

Richard Baker, 100 Briarhaven, reported Monday that while he was asleep in a bedroom of his apartment, he was awakened by a noise and discovered a man standing in his living room.

Baker said he asked the man what he wanted and was told that it was the wrong apartment. The intruder left, the front door had been forced open. The intruder was described as being in his mid-20s, about five feet, 11 inches tall, weighing 175 pounds. He was holding a long steel rod in one hand and gloves in another and was wearing a black and white shirt.

15-Foot Ditch May Solve Vesci Ave. Drainage Problem

A 15-foot ditch between Vesci avenue and Sara street was offered Monday night by Alderman Dawes as a stopgap solution to the drainage problem in the area, once the Village Lane south of Pontoon road is opened.

Dawes called upon the city engineer to set the grades and design for the ditch with the street department either to do the work or contract for it.

The alderman also called for a five-day notice to be sent to the developer of Village lane to either clear other ditches and tiles for drainage or shut down all construction. Boker asked for the city legal department to look into the legal status of two reflection ponds at the development, pointing out they are not only a hazard to children of the area but also may have a role in hampering drainage.

City Atty. Scroggins said the legal aspects of the permits issued for the development are under study and he would submit a report next week.

Alderman Schuler said a runoff of rain water from a field along Maryville road continues to flood homes along Saratoga avenue. "One basement was filled with water last week, and a housewife, whose home has no basement spent the entire night sweeping water out her front door," he told the council.

A request for an engineering study to eliminate the problem was approved. Also approved was engineering to grade the 2700 block alley between State

street and Grand avenue so water will flow to an existing catchbasin.

Another drainage problem on Lydia lane was brought out by Boker, who said the street department was called out.

Street Supt. Warfield explained that two 45-inch lines emptying into the Nameoki storm water drainage ditch have several bends there to go around a house. "We worked on the lines from both ends and think we have them cleared, but those bends in the lines will continue to cause problems," Warfield added.

Boker called for an engineering study to correct the problem.

**State Asking Aid in
Destroying Marijuana**

The Illinois Bureau of Investigation is calling for cooperation of all landowners in the destruction of marijuana or wild hemp growing on their property.

The noxious weed is now beginning to appear in northern and central Illinois and will seed in late summer, IBI Supt. Mitchell Ware said. The plant has long saw-toothed leaves and greenish-yellow flowers and grows from three to 16 feet in height.

The agriculture department recommends use of 2-4-D for effective control in late spring when plants are from eight to 15 inches high.

**Gov. Ogilvie Proposes
New Program of
Pollution Control**

Gov. Ogilvie has proposed legislation which, he said, will "give the state comprehensive control of air, water and noise pollution to grant or withhold permits for operation of equipment, and to prosecute polluters."

It also would establish a salaried Pollution Control Board to hear cases brought by the agency and to set broad regulations for environmental protection, the governor noted. The legislation, if approved, also would create an Institution For Environmental Quality charged with conducting basic, applied research on long-term problems.

The governor asked for a referendum next November on a statewide \$750 million bond issue to aid local sewage treatment improvements.

Proposed federal legislation would provide one-third of the cost of the entire governmental environment program. The Illinois act would provide one-third and the balance would be paid locally.

Open House Tours Sunday At Alton State Hospital

Alton State Hospital's annual open house is scheduled for Sunday, May 3, from 1 p.m. to 4 p.m. in observance of National Mental Health Week, which this year is May 1 through May 7, according to an announcement made this week by Dr. Abraham Simon, superintendent. Co-sponsoring the statewide event in Illinois is the Illinois Association for the Mentally Retarded and the Department of Mental Health.

The slogan for 1970's open house is, "Greater Progress—Greater Hope for the Mentally Ill." The overall program this year is being planned as a typical day at the hospital, and is patient focused. Residents of all units will serve as tour guides, greeters in the wards; and will serve refreshments as well.

Various community agencies are participating with hospital staff by setting up displays in the recreation hall. During the afternoon, two special programs have been scheduled and will be held in the classroom of the Specialized Services building.

A slide program entitled, "Drug Abuse," will be presented by students of St. Louis School of Pharmacy from 1:30

Specialized Services To Hear U. S. Senator

U. S. Senator Ralph T. Smith will be the principal speaker at the 10th annual dinner meeting of the Specialized Services board of directors and staff to be held Thursday, May 14 at Southern Illinois University—Southwestern campus.

Dinner tickets, at a cost of \$3.50 per person, may be obtained from the Specialized Services Office, Post Office Box 1063, Alton, or by calling 1-462-4283. Deadline for reservations is Friday, May 8.

A reception is scheduled at 6 p.m. May 14, in the SIU-SW University Center, followed with dinner at seven o'clock in the Meridian Ballroom, also located in the center. A shuttle bus service will be available from all campus parking areas.

Earlier the same day, open house will be conducted at all Specialized Services workshop centers, including the Granite City facilities, at 2077 Madison avenue and 1801 Spruce street. The public will be invited to visit the centers between the hours of 1 and 3 p.m.

Other workshop facilities operated by the vocational rehabilitation agency are located at Alton—1217 Washington avenue, 2220 College avenue and 100 Central avenue; East St. Louis—3718 State street; Belleville—226 Centerville avenue; and Gillespie—212 East Walnut avenue. All may be inspected Thursday, May 14.

MAKING HEADWAY. New light-colored planking on the Santa Maria's port hull creates a patchwork effect as repairs to the former derelict continues at a Grafton shipyard. The vessel's owner, Sam Fox, president of Fox Industries, Madison, hopes to re-launch the storm-tossed tourist attraction this summer. New interior ribs have been constructed on the ship's starboard side.

Nameoki Again Asks Meeting With Levee Board

Another request of the East Side Levee and Sanitary District board to meet with Nameoki town officials in an effort to solve a series of critical drainage problems has been filed with the levee district. Nameoki Town Clerk Louis Whitte informed the town board in its regular meeting Monday night.

Whitte said the township has received no response to an earlier letter sent to the levee district board urging that a meeting be set up to detail work that would require extensive flooding problems in lowland areas of the township in periods of heavy rains.

Harry Briggs, supervisor, told the board he would personally contact levee board members to arrange a meeting after Whitte outlined a plan which he said would considerably facilitate the drainage of Long Lake and lower the lake level.

Drainage Ditch Clogged

Whitte said there is an old drainage ditch that once drained the Mitchell area into the Cahokia Creek Drainage Canal, but that this ditch is now choked with debris and provides no drainage into Cahokia Creek. At the same time, he said, there is a stoppage between Long Lake and Elm Slough and that this problem, as well as keeping the lake level high, also prevents any effective service from the new Breckenridge lane drainage tile installed by the township.

Town board members complained also of the high level of Horseshoe Lake and pointed out that neither Long Lake nor Elm Slough could be expected to drain so long as Horseshoe Lake has such a high level. Whitte suggested the township board also seek aid of the U.S. Army Corps of Engineers in an area-wide drainage program.

Leash Law Studied

The town board members agreed to study the possibility of enacting a leash law to effect more stringent control on dogs, but Briggs pointed out that enforcement of such a law is difficult and costly and that effectiveness is only as good as the degree of enforcement.

Several members of the audience complained that dog packs are becoming a serious problem in many parts of the township and that with warm weather approaching earlier that the township board should take action.

The board voted to publish the township annual report in the Granite City Press-Record. Complaints were discussed concerning old residential property in the Cloverleaf area and the board said the township health inspector would be instructed to inspect the properties and report back to the board.

Determine Fiscal Year

Whitte said a determination has been made that the fiscal year of the road and bridge fund is from Sept. 1 to Aug. 31, and that the appropriations for the road and bridge fund will have to be adjusted to permit approval of bills until the new budget becomes effective. Whitte and other town board members had contended earlier that the road bridge fund fiscal year should be the same as that of the township, March 31 to March 30.

The board temporarily held up approval of several road and bridge fund bills, including one for mileage fees due Township Highway Commissioner Charles Hanks, and another in payment of \$500 for a sewer line installation, until transfers to the appropriations can be made.

Alcoholism Problems Topic of Conference

Miss Laura Root, director of the National Alcoholism Training Program for Professionals and director of two programs relating to alcoholism in the Social Science Institute at Washington University, will be the principal speaker at the Madison County Conference on Alcoholism which will be held May 6.

The conference, for which there will be no charge, will be held in the local YMCA from 9 a.m. until 11:45 a.m.

Miss Root, who is internationally known for her work in the field of treating alcoholism for the past 20 years, will explain what alcoholism is and how it can be successfully overcome, and will discuss programs that have worked in business and industry, at home and in the community at large.

The conference is intended primarily for those who would benefit from learning about alcoholism and its treatment—such as businessmen, labor leaders, social workers, clergymen, doctors, police and anyone who consults or comes in contact with problem situations involving alcoholism.

The firm also announced promotion of William D. Calabrese, Trumbull, Conn., as assistant manager of cost accounting. Calabrese joined Nestle in 1968 as office manager of its plant in New Milford, Conn., and in 1967 was transferred to the White Plains headquarters as cost accounting supervisor.

Chamber Women's Group Urges Beautification

A program of beautification in which residents of the local communities are asked to take part was announced this week by the Women's Division of the Tri-Cities Chamber of Commerce.

The "before and after" pictures should be submitted to the Chamber of Commerce Office, Women's Division, 1831 Dolmar avenue, Mrs. Toundas advised. Division officials will inspect the photographs, selecting several to appear in future issues of the Press-Record.

Mrs. Toundas commented that the object of picture-taking is not to turn the beautification project into a contest, but is intended to inspire neighbors to accomplish similar efforts on their own property.

"There is a personal pride in fixing up one's home and yard and the entire Quad-City area will benefit from a cooperative effort by all residents," Mrs. Toundas said.

"Let us put a smile on the face of our communities by getting out the paint, brushes, hammers, nails and rakes. Will you accept the challenge?" she asked.

Toppe Player Stolen
Gerald Veller, 2808 Forest avenue, reported at 4 p.m. Monday that a tape player was stolen from the front seat of his auto parked at his home. The player was valued at \$54.

Elks National Youth Week Proclaimed Here

Mayor Donald Partney has proclaimed the week beginning tomorrow as Elks National Youth Week with next Wednesday being set aside as Elks Youth Day.

On Wednesday, Granite City high school students who participated in the Elks Youth Leadership and Most Valuable Student contests will serve as city officials.

They will meet at 11 a.m. in the mayor's office, lunch with the official counterparts and fill the chairs of the city during the afternoon.

20 VHS Students Make Honor Roll, Two Straight A's

Twenty students at Venice high school were placed on the honor roll for the fifth six-week period. Making straight A's were Linda Svezia, a senior, and Linda Durer, a sophomore. Other honor students are: Seniors Betty Townsend, 12; Virginia Irbay and Joan Koelker, 16; and Deborah Fechte, 18; juniors John Schodorski, 14; and Pamela Irbay and Edward Oates, 20.

Sophomores Eddie Smith, 12; Kim Boelling, 13; Curtis White, 14; Maria Brawley, 15; Jay Maurer, 18; Joan McGarran, 18; and James Ollendorf, 20; and freshmen Donald Getz, 17; Raymond Mosby, 14; Beverly Munk, 18; and Janet McGarran, 20.

Forty-three students had perfect attendance marks for the period. They are: Barbara Bailey, Connie Bosworth, Frances Gardner, Regi-

Madison School Bands to Present Concert Tonight

The Madison high and grade school bands will present a combined concert at 8 p.m. today in the junior high school gym.

It will be the third and final concert in the high school series this year. Both bands will be directed by William F. Ledbetter, director of instrumental music in the Madison schools.

Proclamation

WHEREAS, The Benevolent and Protective Order of Elks has designated the week beginning May 1 as Youth Week to honor America's Junior Citizens for their accomplishments and give fitting recognition of their services to community, state and nation; and

WHEREAS, Granite City Elks Lodge 1063 will sponsor an observance during that week in tribute to the Junior Citizens of this community; and

WHEREAS, no event could be more deserving of our support and participation than one dedicated to these young people who represent the nation's greatest resource and, who in the years ahead, will assume the responsibility for the advancement of our free society; and

WHEREAS, to achieve this worthy objective we should demonstrate our partnership with youth, our understanding of their hopes and aspirations and a sincere willingness to help prepare them in every way for the responsibilities and opportunities of citizenship:

NOW THEREFORE, I, DONALD PARTNEY, Mayor of Granite City, Illinois, do hereby proclaim the week beginning May 1 as Youth Week, and urge all departments of government, civic, fraternal and patriotic groups, and our citizens generally, to participate wholeheartedly in its observance.

missions may be obtained at the door at 50 cents for adults and 25 cents for students.

The high school band recently completed a three-day spring tour, visiting the LeBlanc Woodwind Manufacturing Co. in Kenosha, Wis., the Ludwig Drum Industries in Chicago and other points of interest in the Chicago area.

All funds for the trip were earned by the band students with the assistance of the Madison Band Parents Club.

After winning a first superior rating in the district band contest at Collinsville two weeks ago, the grade school band participated in the state contest at Mascoutah Saturday and again won the highest possible rating of first superior in class B.

Classification is determined by a school's enrollment. The band was commended by the judges especially for its fine technique, intonation and musicianship. The band is composed of students from the fifth through eighth grades.

The grade school band has competed in district band contests for the past 17 years and has received first and first superior ratings in every contest. Advancing to state band contest competition, the band has received first and first superior ratings 15 times.

'Raku' to Play at 'Y' Teen Town on Saturday

"Raku," the Greek ward meaning six, has been booked to play for the YMCA Teen Town dance from 8:30 to 11:30 p.m. Saturday.

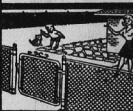

Some of the members of the group were previous members of "Zebr," Chris Hamilton, formerly of "The Rising Sons," and a female singer also are members of the new group.

"J. Christopher" will be featured the following Saturday night.

Coolidge Concert Band Wins 1st Superior Rating

The 100-member Coolidge junior high school concert band, under the direction of Robert D. Todoroff, received a First Superior rating in the State Band Contest held in Mascoutah, Ill., over the weekend, in the class double A division.

Selections performed by the band for the competition included "Dawn of Peace" concert March by D. I. Moore; "Enferata" overture by Claude T. Smith and the contemporary selection, "Symphonic Movement" by William Goldstein.

The Coolidge band qualified for state competition by participating in the District Band contest April 11 in Collinsville. Members of the band are from the seventh, eighth and ninth grades of the junior high school.

Accompanying the group were James Dumont, principal of Coolidge, and Calvin Bartels, assistant principal. Local residents may hear the Coolidge band in concert on Tuesday, May 12, at 8 p.m. in the senior high school auditorium, Todoroff said.

Mother's Day Weekend Activities at U. of I.

Several thousand mothers are expected to gather later this week at the University of Illinois, Champaign-Urbana campus, for a series of special events planned for the annual "Mother's Day Weekend."

Mrs. Paul (Lucille) Caban of Granite City, president of the Illinois University Mothers Association, has announced.

In conjunction with the many activities arranged for the visiting mothers, the association will conduct its 48th annual meeting at 10 a.m. Saturday in the Illinois Rooms of the Illinois Union building on Sunday afternoon.

Officers for the coming year will be elected during the business session, which is to be preceded with a coffee hour, starting at 9 a.m., when parents are invited to meet informally with leading campus administrators.

Principal speaker will be Dr. Dora Dougherty Strother, an alumna, who is considered to be America's foremost woman in aviation.

"The association is especially pleased that Dr. Strother will speak to the mothers in this centennial year of the decision by the University of Illinois to admit women into the university," Mrs. Caban said. "Her accomplishments have more than justified the value of the decision made 100 years ago."

Dr. Strother will be awarded the Medalion of Honor Award for 1970 by the Mothers Association, the local resident said, "in recognition and tribute for her professional service in the field of human resources and aviation, her dedication to service to her country with the Air Force, and her service to her educational institutions and a home community."

In private life she is the wife of Lester J. Strother, editor and publisher of Texas Metro magazine. In 1966, Dr. Strother received the American Association of University Women Award, given each year to a top woman researcher.

On Friday morning, mothers are to attend the association's annual banquet when special

SIU Plans to Hold 2 Summer Workshops

Southern Illinois University will offer two related two-week workshops at Carbondale this summer designed to help expedite conservation and outdoor education programs in schools, parks, recreation areas and nature centers.

An outdoor education workshop, to be held June 15-20, will focus on developing philosophies and strategies for school curricula outside the school building.

The workshop in conservation June 29-July 10 will acquaint teachers and administrators with ecology and conservation. Sessions will be held at the SIU outdoor laboratory.

Four hours of graduate credit will be given for each workshop. The staff is composed of Paul Nowak, chairman of the department of conservation and outdoor education, and Robert Christie, instructor in the department.

Training for Illinois residents is \$38.50 for each workshop, for non-Illinois residents \$55.50. There also is a \$5 fee for field and laboratory expenses. Room and board is available at the Outdoor Laboratory at \$75 per workshop. There also are many campfires.

Student Unrest to be Televised on Sunday

Public television station Kete will telecast a program on student unrest and the climate of protest at 6:30 p.m. Sunday as part of its newly inaugurated series Higher Education: Relevance or Revolution, which focuses on central problems facing higher education today.

During the program, Dr. E. J. Shoben Jr., executive vice-president of Evergreen State College in Tacoma, Wash., will discuss the student population explosion, analyze the unrest which has led to protest and violence, discuss the increasing politicization of campus issues, and outline changes he thinks the university should make in order to continue its important, vital contribution to society.

jewelry, pottery and various handicrafts.

The university's spring musical, "Music Man," will be performed Friday and Saturday evening in Assembly Hall. Two performances will be given Saturday night.

Random Goodies Found Buried in SIU Archives

By PETE BROWN
Of the SIU Staff

Some random goodies have been found in the Southern Illinois University Archives at Carbondale as the campus continues its second year of Centennial Years observance.

The university's first master plan was drawn up in 1910 by a Chicago landscape gardener with the unfortunate name of Howard Everts Weed.

When the SIU Wheeler Library was dedicated in 1904, it was called the first "Normal" library in the state and the second in the west.

The first outdoor athletic facility, Bayliss field, was a 10-acre plot northeast of the campus, with the grandstand dedicated in 1907. The grandstand seated 1000 and cost \$1000.

In 1908 and 1910, SIU classes were adjourned so the faculty could march in support of the Anti-Saloon League.

The university traces its international commitments all the way back to 1901 when five SIU graduates were sent to Philippines to teach.

Football apparently got its start in 1892 when the faculty sanctioned a match with McKendree College. In 1896, SIU played a game with Mt. Vernon high school at the Carbondale Fairgrounds. SIU won, 33-0.

After that, the faculty balked and approved a stiff resolution: no recognition, no football on university grounds, no participation by students in any out-of-town games. But football was finally deemed legitimate in 1898 and was organized under a director of physical culture.

The faculty okayed YMCA basketball in 1893. The school color, cardinal, was adopted the same year.

In 1875, a year after SIU's first classes, tuition was \$10 a term. The next year it was lowered to \$8. Anyone who pledged to teach for three years, however, could go to school free.

In 1875, the legislature appropriated \$1500 to SIU "for purchase of a library and chemical and philosophical apparatus."

Woman Files Suit
In 1924, a West Frankfort woman filed suit against SIU for injuries she claimed re-

sulted from a fall from the bleachers at a football game. President Shryock was, in his customary wry way, unconvinced.

He wrote to the attorney general: "I have never understood how it happened that an ordinary football game between the team of McKendree College and the team of this school drew a visitor from 35 miles away when 89% of the people in Carbondale were not sufficiently interested to go out to the athletic field" (disposition of the case was unknown).

The 1895 graduating class was addressed by the vice-president of the United States, Adlai E. Stevenson.

I. O. Karkarack of Jonesboro, who may be SIU's oldest living alumnus (class of '96), remembers SIU President Harvey William Everest (1893-97) as "one who could hardly resist bursting into tears at the mention of Garfield's name (former U. S. President James A. Garfield), on whatever occasion."

But who had a "singular inability to remember the names of any of his students."

State Audubon Society To Meet at SIU-SW

The Illinois Audubon Society will hold its 73rd annual state meeting on the SIU-SW campus Friday through Sunday, May 1-3. John McCall, professor and arrangements chairman, has announced.

The opening session will include a report on the National Audubon Society's programs given by John Franson at 7:30 p.m. in SIU's St. Clair Room of the University Center.

Illinois Lt. Gov. Paul Simon will be the principal speaker at Saturday's luncheon meeting.

Other speakers will include State Rep. Merrill Ottewill of Edwardsville, Dan Malkovich, acting director of the Illinois Conservation Department, William George of SIU's zoology department at Carbondale and many others.

Field trips are planned for delegates Sunday to Cahokia

Roca Club to Initiate New Members in May

Final plans have been completed by the Roca Young Men's Club for the formal initiation of recently elected new members on May 24 and May 30.

Members have been asked by the Girls Athletic Association to serve as ushers at its May Day show on May 28 and 29.

A dating panel will be held following the meeting of May 28. The panel will consist of current as well as past Roca sweethearts.

A car wash and wax will be held in the near future.

Recognition was given to Debbie Portell, who was selected as the 1970 May Queen.

This week John Harizal, publicity chairman, and Curt Koser, secretary, sent Roca news letters to about 300 local clubs and organizations to inform them of Roca activities.

Post 6 to Perform At Scout-A-Rama

Explorer Six will again perform at the annual Scout-A-Rama sponsored by the Cahokia Mound Council, Donald Beck, advisor, has announced.

The event is to be held May 16 at the Granite City Recreation Center at Wilson Park.

An annual highlight of the Fair, Post Six has been performing an Indian dance specialty for the past 20 years.

During that time the performance has been given for civic, fraternal and Scout organizations throughout the area, as well as in St. Louis County.

The Post has commonly been known to many area residents as the Society of Red Shields. The unit is sponsored by Concordia Lutheran Laymen's League.

Cubs, Explorers, Scouts Selling May 16 Tickets

Sale of tickets is progressing for the Cahokia Mound, Boy Scout Council's golden anniversary Scout-O-Rama, an exhibit of scouting skills to be presented from 2 p.m. to 8 p.m. Saturday, May 16, at the ice rink-recreation center in Wilson Park.

Units leading in initial sales tabulations are Cub Packs 46, 96 and 141, Scout Troops 13, 21 and 50 and Explorer Post 12. Ticket money is being turned in at the Boy Scout Council service center, Niedringhaus avenue and State street, where additional tickets are being issued and prizes for the young salesmen are being given out.

David W. Morgan is Scout-O-Rama ticket chairman for the council, and Mick Strang is heading the sale in the Uniwah (Quad-City) district.

The scouting units are receiving commissions on the tickets to further their programs, and other proceeds will go to the council to help enable it to provide camping and other scouting services.

Scouts selling ten or more tickets qualify for a special Scout-O-Rama uniform emblem, and Cahokia Mound Council neckerchief slides go to those selling 25 tickets.

For 40 tickets, the salesman may choose a cub scout utility kit and telescope, cub scout observer kit and pocket knife, scout yucca pack or scout jet rocket axe.

Those selling 60 Scout-O-Rama tickets qualify for an instant-load camera or a cub scout wristwatch. Sleeping bags are awarded for 80 and 100 ticket sales.

Mayor Names Assistant Atty. For 30 Days

Granite City council members voted down the appointment of an assistant city attorney Monday night, but Mayor Partney sidestepped the council action by later renaming Harry Hartman to the post on a 30-day appointment.

Alderman Robertson was critical of the appointment, saying the council had discussed cutting some jobs as an economy move and that all appointments should be stalled until the council had a chance to talk them over.

He called for deferral of action, but was ruled out of order by the mayor, and a motion for a roll call vote was made after Whitmer pointed out the need for a second lawyer to handle the numerous lawsuits filed against the city.

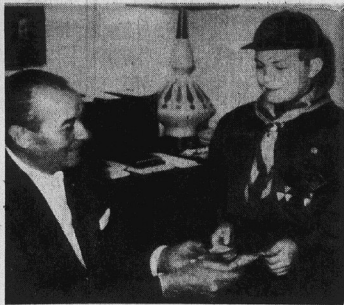

The vote was 4-12 against the one-year appointment to the \$6000-a-year job. Partney remarked that city ordinances provide for the office of assistant city attorney.

Most of the other appointments for the May 1, 1970, to April 30, 1971, fiscal year were approved without comment.

Reappointed were—Mrs. Marshall McConnell, as the mayor's secretary; City Atty. Leon Scroggins; City Inspector Lawrence Druhe; Building Inspector Orville Delour; City Hall Custodians Douglas Greathouse and Mrs. Irma Harriet; Humane Officer Terry May.

Civil Defense Director Victor Koenig; CD Clerk-Typist, Mrs. Sharon Wickham; Sewage Treatment Plant Supt. Ernest Jackson; Assistant Supt. Ernest Hubbard; City Painter Thomas Reynolds; and Police Clerk Mrs. Nadine Harrison.

Vandals Damage Fence
Velma Finney, 715 Twenty-sixth street, reported at 4:50 p.m. Monday that vandals tore down the back fence at her home and threw trash in the yard.

City Ok's Zone Change for New Medical Building

Council members voted Monday night again to override the City Plan Commission and to authorize commercial zoning for property at 2133 Johnson road for construction of a one-story medical building.

With the approval, Alderman Boker commented, "this is the last commercial zoning I'm going to favor for the Seventh Ward."

In miscellaneous business, Mayor Partney reported the federal Office of Emergency Preparedness has turned down three of four requests for added funds to repair sewer breaks.

"The one still pending is the biggest one and amounts to an estimated cost of \$133,000 of the \$194,000 we were seeking," the mayor said. That break is in a major trunk line near Rodger avenue.

Alderman Green's request for a five-day notice to be sent for clearance of a dump north of 22nd street at the railroad tracks was approved by the council. He said the area has become rat-infested.

Purchase of air conditioners for the judge's chambers on the third floor of the city hall was referred to the Finance committee to determine if the county will pay the costs. Alderman Poulos, chairman of the City Hall committee, said he was advised by Judge Fred P. Schuman that the city receives ample funds from the courts to buy the units. That area of the city hall will have to be rewired for the added electrical load, it was noted.

Purchase of a stump-routing machine for the street department to rid the city of protruding stumps was recommended by Poulos. He was advised by Street Supt. Warfield that an adequate machine would cost \$3000. No action was taken.

An ordinance was adopted requiring all applicants for jobs with the police and fire departments to have resided in Granite City for three years immediately prior to making application.

Placed on file was a telegram from Gov. Ogilvie requesting city cooperation in the state's proposed establishment of a major airport with no specified location. "Let's treat him like he treated us when we requested his aid in blocking the closing of the Army Depot," Alderman Nomm remarked.

Fire Causes \$250 Loss

Firemen were called to the home of Francis Hooper, 1427 Madison avenue, at 4:30 p.m. Monday after a mattress caught fire. Damage was estimated at \$200 to the building and \$50 to the contents. Firemen were on the scene 50 minutes.

Key Assistant to Dean Of Music at Eastern

Roderick E. Key, formerly of Granite City, has been appointed assistant to the dean of the School of Music at Eastern Illinois University. He is the son of Mr. and Mrs. Roderick W. Key of Granite City and is a graduate of the Granite City school system.

He received bachelor and master music education de-

grees from Southern Illinois University and is presently engaged in doctoral studies at the University of Illinois.

Key began his teaching career at Anna-Jonesboro high school in 1960 as band and chorus director. In 1963, he and his family moved to Charleston, where he became instrumental music supervisor at the Eastern Illinois University Laboratory School and instructor in the music education department of the School of Music.

Key will assume his new duties as assistant to the dean in September. He and his wife, Jane, have two children, Elizabeth and Stephanie. Mrs. Key is presently an instructor in the music education department at EIU and choir director of the Wesley United Methodist Church in Charleston.

GC Man, 21, Arrested In Stolen Check Case

Marvin A. Parrish, 21, of 2119 Lee avenue, was arrested at 2:10 p.m. Monday on a charge of forgery in attempting to cash a stolen check at Emmett's market.

The check was part of the loot taken in a recent burglary at the Granite Sheet Metal Co., most of which was recovered as Granite City police cracked a burglary ring last week. Six other persons have been arrested in the case.

Parrish appeared before Magistrate Matosian, who set a preliminary hearing for 4 p.m. Monday. Parrish was released on \$5000 recognizance bond.

HIGH POINT SWIMMERS. David Jolly, nine (right), and Debbie Griffin, 10, display their trophies for YMCA Swim Coach Fred McCollegan (left), and Bill Beatty, a former team member, who spoke at the Tidal Waves awards banquet last week. The local youngsters earned the trophies by bettering the most individual records of previous YMCA swimmers.

37 Awards Presented At YMCA Swim Banquet

The Tri-Cities Area YMCA swim team marked formal conclusion of the 1968-70 competitive swimming season with an awards banquet last week in the local "Y" auditorium. Trophies were presented to 37 team members.

Principal speaker was Bill Beatty, a former member of the "Y" Tidal Waves, who also was an outstanding swimmer for Puddler's Swim Club of Granite City. The local youth is a freshman at the University of Missouri, where he is a member of the swim squad.

A buffet dinner was served to the youthful athletes and their parents. Henry Lamb acted as master-of-ceremonies and guests were welcomed by Earl Buenger, president of the swim team's Parents Club, who also reviewed the season's activities and prospects for next year.

Coch Fred McCollegan and Mike Sharp, assistant coach, presented the trophies, each inscribed with the number of individual records bettered during the past season by the swimmer.

DIVIDED MADISON CITY ADMINISTRATION SEEN

To the Editor: Acting Mayor Raymond Kozielek of the city of Madison, due to tremendous response from the local citizenry, has decided to announce his candidacy for the position of mayor.

The trend will be a decided split in the city administration, something unique since the organization was a tightly-welded administration under Steve Maeras.

Mayor Kozielek, an alderman for about 15 years, has the experience, qualifications and a workable knowledge of the city government to be the best qualified.

Mayor Maeras always had Mayor Kozielek as a rival or opponent in his absence, which showed the confidence and trust placed in the 3rd Ward alderman. Basically, this was an endorsement as to his capabilities and qualifications in handling the city affairs.

The best interests of the citizens of Madison can be best served by a man who has experience and qualifications to do the job and improve the city of Madison in future days.

A recent editorial in the Press-Record states that Mayor Kozielek's actions and get-together politics, relative to the closing of a tavern for alleged violations, turmoil and trouble at this tavern have been backyard gossip for years, but no one did anything about it till Mayor Kozielek acted and acted swiftly.

It is not in the best interest of the community or the law to have a public official, own any part of a liquor establishment. A liquor license is a privilege, and not an uncancelable license to do as you please.

The entire community looks forward to the debates that Mayor Kozielek urges to have with any contending candidates, to discuss the issues before the public and let the public compare the platforms each presents, viewing the education, know-how and performance of their candidates.

No candidate should be reluctant to debate. Otherwise, he presents a quality not acceptable to the citizens, for he may want to evade the issues.

It will be a "long hot summer" in Madison, and the rest of the Tri-City area will also watch the outcome of this political race, which is now "wide open." The people will decide who they will elect for their mayor.

I'm sure the best man will win. I believe that man is acting Mayor Kozielek.

FORMER MADISON MAN GOD IS THE KEY TO SAVING DYING EARTH

To the Editor: I would like to thank and commend the Group Against Society's Pollution for their most informative and inspiring report on pollution control April 21.

What they are doing is very great, but one more step is absolutely necessary to aid and continue to aid the human race in the fight for a cleaner, purer air and unspoiled land, as well as curbing the growth of the population.

This is for the country, as a man to get down on his knees and ask God for his help. I know that God is the key to zoom down to the earth in a golden chariot and relieve these problems, but I do sin since the majority of all argu-

ments are caused by uncertainty among the aldermen as to public opinion and by the general laxity of the aldermen.

Our government system is effective only when we, the voters, take an active interest in the government and its issues and informing our officials of our opinions.

Our government can only breed wrong decisions and apathy in our government. This is one way we can "get involved."

LARRY D. WHITSELL

CITIZEN MEETINGS IN EACH WARD PROPOSED

To the Editor: I will never tire of listening to or reading complaints about our public officials. Without constructive criticism of our government, the entire government system would run rampant.

What I tire of are suggestions to eliminate problems in our system when these suggestions are not aimed at the causes of the problems.

To often, the public does not work toward goals that would help to solve the problems of our government. The average citizen is like a hunter who shoots at a tree limb rather than an animal in hopes that the animal will fall and knock out the animal.

Some of our voters have proposed that the aldermen hold a meeting once a month in an attempt to reduce the frequent and too often confused arguments among our aldermen.

Granted that aldermen do put out a radio for the aldermen to some council meetings, but they can not benefit the city by not allowing the council to meet as often.

This could only serve to prolong decisions on the council's agenda.

Instead of muzzling our aldermen in hopes that their silence will bring some results, let us consider another alternative.

Through legislation, our council could and should require that each alderman hold at least one meeting every month for the voters in his ward. The principal aims of these meetings should be to discuss the issues before the public and let the public compare the platforms each presents, viewing the education, know-how and performance of their candidates.

1. Inform the voters of all the issues to be presented at the council meeting.

2. Direct a discussion on every issue in an attempt to bring out the pros and cons.

3. Poll those voters present in an attempt to gain insight on the position of the voters.

4. Inform the voters about any points of law, council procedures or other peculiarities which may affect the voters' position.

As an elected official, the alderman should be well informed about all aspects of any given issue.

By opening the doors for discussion with elected officials, the public could no longer find reason for feeling that their voice was not being heard.

At the same time, the alderman would have a more accurate means of obtaining public opinion on various issues. Most of the difficulties encountered at our council meetings would be greatly reduced, but I do sin since the majority of all argu-

Churchmen Federation To Meet on Sunday

The spring meeting of the Illinois South Conference Churchmen's Fellowship Federation of the United Church of Christ will be held Sunday afternoon at Immanuel United Church of Christ in Hamel.

Registration will begin at 2 o'clock. The speaker will be Rev. Dr. Thomas J. Thompson, vice-president for development at Eden Theological Seminary in Webster Groves, and formerly director of development for the American Bible Society. The title of his talk will be "Christian Leadership Tomorrow."

A business meeting will be held at 3:30 and the program will be concluded at 4:30.

Savings, Loan League Plans Meeting Series

The Illinois Savings and Loan League has announced plans for a series of spring meetings to be held throughout the state in May. The meetings will be designed for directors, officers and key personnel of savings and loan associations. One of seven scheduled sessions will be held May 19 at the Sunset Hills Country Club.

Daniel J. Nicholson, president of the Illinois league, said the sessions are intended primarily to provide additional background information and study materials concerning business trends that will assist directors and officers in their individual operations.

Chickweed in Lawns

If you have patches of yellow colored weeds in your lawn, it's probably chickweed. This lawn problem isn't getting worse but showing up better as the plants ripen, seed and gradually die. If you are tempted to use a weed killer to finish off this pest, you will get plenty of satisfaction. But the weed killer won't deserve the credit because chickweed will soon die and disappear regardless of the treatment.

Gentle raking will remove most of the dying plant and allow nearby bluegrass to spread into these small bare areas. Flying Ants When you see a swarm of flying insects in your turf they are probably flying ants. Swarming termites and some species of ants are black but ants can be yellow, red or brown. Other distinguishing features between ants and termites are the constricted waist (very narrow at one point) and elbowed antennae of ants while termites are not constricted and have straight antennae.

Termites normally are light colored or nearly white but winged termites are black with black wings. The straight antenna, thick body and dark colored antennae of ants make them easy to identify. When you see a flying termite, if you need further identification, analyze the specimen inside a plastic bottle and mail to our extension office at 116 S. Charles, Belleville or 900 N. Edwardsville for identification.

If swarming colonies of ants are a nuisance, spray the swarm area or the entire turf with Diazinon or Chlordane. Termite colonies deserve special attention. Established colonies are a threat to nearby buildings. Local pest control operators or your County Extension office can give you more details to avoid property loss or prevent further damage.

Apple Blossom Time

Apple blossom time in southern Illinois will be a little later this year — about seven days later to be exact. Full bloom is expected around April 25 at Carbondale and on April 30 in the Jersey and Calhoun county area.

This is the time of the year to enjoy the beautiful apple flowers along with the other wonders of spring. Most apple orchardists appreciate the opportunity of having visitors tour their orchards during bloom.

Apple blossom time is also the time to refrain from applying pesticides to blooming trees. The pollinating insects and bees are a gardener's friend, so don't kill them at this critical time.

If your planting needs spraying, time the applications so that one is applied just before bloom. This should provide protection for seven to 10 days, and the next spray should be applied when 90% of the petals have dropped.

Better Turf In the Shade Shade, drought and starvation gradually destroys turf in shade areas unless you occasionally reseed and add extra water.

Creeping Red Fescue or Chewings Fescue is well suited for shade and low fertility. If your shade areas are thinning out, an early reseeding will help maintain an adequate ground cover. Broadcast 1-2 pounds of seed per 1000 square feet of shaded area. Scuff up the soil with a rake so dry new plants cannot get started. A li-

tle extra water every day will pay big dividends. For the first two weeks water lightly twice a day. Apply fertilizer at 1/2 the normal rate to help establish the new seedlings and maintain the established plants. Continue to water every day until the new seedling is tall enough to mow. After the new seedling is 2 1/2 inches tall weekly watering during growth periods will be adequate.

Wild Onions

Tufts of wild onions can be easily eliminated from your lawn by pulling the clumps and destroying them. You can make instant repairs after pulling this crop by adding extra soil. The perfect job is planting a clump of bluegrass sod in this vacant spot and pressing down the new soil and sod with your shoe.

Pruning Pussy Willows

Heavy pruning will maintain size and produce a steady supply of new shoots and spring flowers. Rapid growth quickly produces a massive shrub or small tree unless you prune out the largest shoots every year. Late spring pruning will stimulate new shoots from the crown to provide you with a steady supply of bouquets this spring. If your willow finally becomes overgrown you can cut the plant back to the stump and start a new plant.

New plants often begin as a bouquet. Twigs frequently root in the vase and become a thriving sprout when planted. Direct planting of large twigs will produce vigorous growth the first season.

Hospital Gives Helpful Hints for Working Mother

Information about what a working mother can do to better the safety of her small children while she is away from them has been supplied by the Illinois Department of Public Health to St. Elizabeth Hospital.

Ted Eilerman, assistant administrator at the hospital, said the U. S. Department of Labor estimates that more than five million children under six years of age are being cared for by baby sitters while the mothers work.

Some safety measures that will help keep youngsters accident-free in mother's absence are suggested by the Council on Family Health, a non-profit organization sponsored as a public service by leading members of the drug industry.

"Before leaving for work, check your home for causes of accidental poisonings," the council recommends. "Anything you don't want children to sample should be put out of their sight and reach. This includes chemicals and cleaners, paints and solvents, perfumes and cosmetics, medicines, insecticides and garden sprays."

Eilerman said other safety measures may be taken by attaching grille guards to upstairs windows, gates at top and bottom of stairs. "Write down the name and telephone of your doctor, pharmacist, nearest relative and your place of work."

Errors in Income

Tax Forms Still Can Be Corrected

Now that the filing period is over taxpayers may discover that they made an error on their Federal tax return.

Joy G. Plett, district director of Internal Revenue, said that taxpayers who forgot to include all their income, deductions or credits can correct these mistakes by filing Form 1040X. This form is tailored expressly for correcting or amending entries on Federal tax returns.

"Taxpayers using Form 1040X need only enter the information required to correct the mistake on the original Form 1040," Plett said. Another complete return does not have to be filed. Forms 1040X are available at any IRS office.

Plett also reminded taxpayers who expect refunds but have moved, to be sure and leave a forwarding address with their post office.

Director Plett said late filers expecting refunds may have to wait as long as eight to ten weeks before receiving their checks. For this reason, a taxpayer who has not heard about his refund should wait ten weeks before contacting the nearest IRS office. By waiting this length of time, most taxpayers will find their inquiry unnecessary, Plett said.

If it becomes necessary to write, the taxpayer should indicate when he filed his return, give his name, address and social security number. Inquiries should be sent to the Service Center in Kansas City, Mo. 64170.

Child Hearing Defects To Be Meeting Topic

About 500 parents of children who are deaf or have hearing impairments are expected to attend the third annual meeting of the Illinois Parents of the Hearing Impaired at the Illinois State University Campus at Normal on Saturday.

The general theme of the meeting this year is a better understanding, by parents, of hearing impairment as it relates to the child's development and his future adjustment to society.

A workshop on "Social Behavior and Emotional Development" will feature Dr. Gary Austin, Northern Illinois State University; Dr. Mary Morgan, Illinois State University; Dr. Arthur Neyhaus, psychologist at West Suburban Association for Hearing Handicapped, Itasca; and Mrs. Ethel Flaxman, author of several articles on hearing impairment in children.

William Neumann, Niles, Ill. is 1970 chairman of Illinois Parents of the Hearing Impaired.

SOME IMPORTANT REASONS FOR EMPLOYING A "Realtor"

THIS MESSAGE PARTICULARLY DIRECTED TO PEOPLE SELLING THEIR OWN HOME.

If you love talking to strange people at strange hours, by all means sell your home yourself. That "For Sale by Owner" sign in your front yard means you're fair game for everyone—even those passersby who "just kind of wanted to see what the place looked like."

You might get lucky and sell a buck or two. A lot of folks have tried to sell their own homes and succeeded. A lot more have just tried.

Most people realize that selling your own home can be a costly, time-consuming, even risky affair. And unless you're just naturally lucky, you need

the help of a professional "Realtor." He can save you a lot of time and headaches. For a lot of good reasons.

If you're thinking about selling your own home, maybe you should consider some of them.

The first thing a Realtor can do for you is recommend a fair and reasonable asking price. Do it yourself and you will probably ask too much or too little. Either way you lose. Don't be fooled by the belief you know pretty well what your home is worth. Market demand, seasonality of sale, location

and many other variables often alter your home's value.

A skilled Realtor knows all about these things. Most important, he knows people.

A Realtor will screen the prospects. He'll know their needs, desires and financial situation. And he'll know who is seriously looking for a home. Best of all, he'll show your house only when it's convenient for you.

Remember, look for the "Realtor" Emblem.

No-Tuition Classes in GC Schools Again This Summer

With the current school year in the Granite City district ending Thursday, June 11, no time will be wasted in launching summer school. It will open the next day, June 12, for junior high and high school students, and the following Monday, June 15, for elementary pupils.

Both programs will continue for seven weeks, ending Thursday, July 20, for the seventh-to-twelfth grades and Friday, July 31, for younger students.

Registration currently is in progress and will continue until about May 15. No tuition is charged. Supply and material costs amount to \$2.50 for grade school pupils and \$3 for secondary students.

The courses which are being offered will be taught if there is sufficient enrollment.

Morning Instruction
Summer instruction is planned for 9 a.m. to noon at grade schools and 8 a.m. to noon at the junior high and high school level.

Purposes of the classes are strengthening of basic skills, need of additional work in specific subjects, and special interest, for those doing fully satisfactory work who can profit from supplemental work beyond that normally taught during the nine-month school term.

The policy is that if a parent desires to enroll his child in the summer program, he may do so without a recommendation from a teacher. In some cases, a teacher will suggest that a pupil attend in the summer.

Priority in enrollment is given to those having the greatest need for improvement in order to maintain their grade level.

Arithmetic, Language Arts
The strengthening program for first through sixth graders will consist of basic arithmetic fundamentals and language arts, the latter including spelling, writing, grammar, phonics and comprehension.

The special interest courses for third through sixth graders will be band, social studies, use of library, community resources, elementary science, speech therapy, arts and crafts and creative dramatics and writing.

An additional program will enable sixth graders to study band, home mechanics, physical education, and modern science at Coolidge junior high school this summer.

Aside from the sixth graders going to Coolidge, eight summer centers will be operated for elementary students.

Lake School Construction
Lake school will not be used this summer due to construction of an addition to that building. Lake youngsters living near Stallings will attend at Stallings this summer and those near Marshall school will attend Marshall.

Schools operating this summer will include Mitchell, Maryville and Nameoki.

Frohardt will serve the Frohardt and Parkway areas; Washington will serve Washington and Logan; and Stallings will serve Stallings and part of Lake.

Marshall will serve Marshall, Wilson, Webster and part of Lake. Emerson, McKinley and Nidringhaus pupils will go to Emerson this summer.

No Transportation
Transportation will not be furnished. It will be the parents' responsibility to see that their child gets to and from school. Since the costs of summer school are entirely dependent on and dependent upon evidence of actual attendance, school officials say it is necessary to stipulate that, when a pupil is enrolled, his attendance must be continuous and regular.

An elementary pupil will not be able to start a grade and complete it by summer school attendance. However, if he otherwise might be required to.

In Memoriam
33
memory of Linley L. Walk, May 1.
Tomorrow is your birthday dear. It will never be the same. The gladness of the day is gone. A voice we love is still heard. A place is vacant in our home. That never can be filled. Heavy are our hearts today. Memory brings you back once more. To the time when you were with us. To the happy days of yore. Sadly missed by Wife and Family.

33-40
In loving memory of JULIA CHROMKO, April 20, 1967.
The world may change from year to year.
And friends from day to day.
But never will the one I loved From memory pass away.
Sadly missed by JULIAN and Family.

33-40
In loving memory of JOSEPHINE SEDEJ, May 2, 1969.
One year has passed since that sad day.
When we loved was called away.
God took her home—it was His will.
Within our hearts she liveth still.
Sadly missed by FAMILY.

repeat a grade, he may through summer school be permitted to go on to the next grade—subject to concurrence by the summer school teacher, regular teacher and regular principal.

Junior High Program
For junior high school students, the center this summer will be Coolidge Junior High.

Seventh and eighth graders attending for strengthening will study arithmetic and language arts-social studies.

Ninth graders doing makeup work after failing one or more subjects may take English II, general mathematics II, algebra II or general science II.

Non-credit special interest classes are scheduled for the seventh, eighth and ninth grades in the following fields:

Computers, Ecology
Conservation, creative woods, oceanography, modern science, creative dramatics, band, art enrichment, plastics.

Home mechanics, Russian, Spanish, German, modern activities, developmental physical education, model building, leathercraft, vocal music.

Homemaking (with emphasis on clothing), creative approach to independent reading, computer operation, antiquing, journalism, ecology and geography in an urban area.

Granite City high school students enrolling for the summer will attend GCIS. The selection of courses given will depend on the extent of interest shown through registration.

11 Building Permits
List \$17,858 Values

Eleven building permits listing values totaling \$17,858 have been issued for new construction in Granite City. The total for the month so far increased to 34 permits with \$96,433 total value. Permits were obtained by:

G. R. Lawson, 57, Dies; Former Twp. Official
George Robert Lawson Jr., 57, Apt. 20 Villa Griffin Apartments, East St. Louis, a former Nameoki township supervisor, died at 11:30 a.m. Wednesday at St. Joseph Hospital in Highland where he had been a patient for five days.

A native of Edward, Ky., he had lived in the Quad-City area since 1923.

A carpenter by trade he was employed in that capacity for about 25 years.

Mr. Lawson was a member of Carpenters Local 109, formerly served on the Nameoki school board during the 1940's and was a former justice of the peace.

Surviving are his son, Robert E. Lawson of Villa Grove, Ill.; two sisters, Mrs. Gertrude Summers of Belle, Ill., and Mrs. Dorothy Reiff of East St. Louis; and two grandchildren.

Funeral arrangements are given in today's obituary column.

Madison Teacher Talks With Board Under Way
The Madison Federation of Teachers today noted the contract negotiations with the board of education have yet to include salaries.

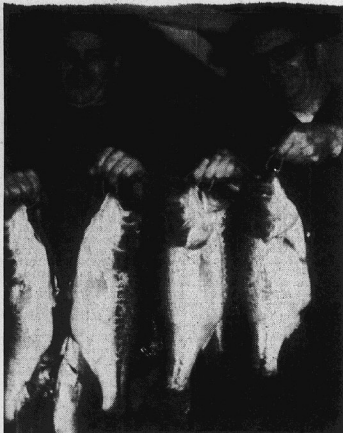

Mrs. Margaret Blackshire, local president now teaching at the Dunbar school, said negotiations started in February and there has been no settlement. She said with the time for the closing of the current school year nearing, the matter is beginning to be urgent.

A committee of the board has been conducting negotiations at intermittent intervals with the federation and with a committee of the Madison Classroom Teachers Association.

Rail Crossing Mishap
An auto driven by Edward A. Rellick, Collinsville, was struck by a chemical truck driven by Patrick Floyd Pipes, St. Louis, were involved in an accident at 2:30 p.m. Tuesday at the Niedringhaus rail crossing.

Youth Focus

FINAL PLANS being reviewed for the Law Day program set for Tuesday night at the Madison Recreation Center for high school age residents. Discussing the plans are, seated, left to right—Tom Hooks, chairman for Explorer Post 10-4, and William Kinder, vice-president of the Tri-City Bar Association. Standing—Rick Hooks, president of Post 10-4, Leon Scroggins, president of Tri-City Bar Association, and Don Bridick, advisor of Post 10-4.

Explorer Post Will Observe

Law Day Tuesday

Explorer Post 10-4 of Madison and the Tri-City Bar Association are undertaking the project of bringing the message of Law Day to as many young men and women as possible at 7:30 p.m. Tuesday, May 5, at the Madison Recreation Center, Seventh street and Lee avenue, Madison.

The Tri-City Bar Association with Tom Hooks as program chairman will present a mock trial which takes about one hour's time during which a condensed version of a court room trial is presented with comments and remarks to inform the audience of what is taking place and how the law is working in the court room situation. "Theme of Law Day 1970 is 'Law—Bridge of Justice.'" He emphasizes that the law is in fact a bridge for social goals and to resolve grievances that cause divisions in American society. Achieving justice is the objective of the legal system and the utilization of that system is the key to achieving unity of purpose in our national life, it will be explained. The program is designed for Explorer Scouts and Senior Girl Scouts. Any high school age boy or girl is welcome.

AWARD WINNERS from Southern Illinois University-Southwestern's chapter of Phi Beta Lambda business fraternity at a state convention at Springfield. They are, left to right, Gary Eads, second, extemporaneous speaking; J. Michael Gibbs, third, Mr. Future Business Executive; and Janet Georges, Howard "Corky" Carson and Paul Costello, first, vocabulary relay.

Phi Beta Lambda Wins Awards at State Meet

The Southern Illinois University-Southwestern chapter of Phi Beta Lambda business fraternity and social club won three awards at a state convention held during the weekend at Springfield.

A team composed of Janet Georges of Alton, Howard "Corky" Carson of Collinsville and Paul Costello of Granite City won first place in a vocabulary relay contest.

Gary Eads of Granite City won second place in extemporaneous speaking, and J. Michael Gibbs of Alton won third as Mr. Future Business Executive. First place winners advanced to the national contest to be held at a later date.

Other members of the campus unit attending were Maurice Lambert of Granite City, club president; Mr. and Mrs. Paul Costello and Jerry Ritchie of Granite City, and Dr. Elaine Favort of East Alton. Dr. Carl Hall of Dallas, Tex., club advisors.

More than 300 students and professors from 15 colleges and universities in the state attended the convention. Delegates from each of the chapters competed in different fields of study.

Council Names Committees; Junior Sports Meet Few Changes are Planned

The minority group of the Granite City council is being scheduled again onto the committee lineup presented at Monday night's council session.

No action was taken on the committee appointments, although Mayor Partner said he would be ready next week to name the chairman.

The aldermen considered the minority group includes: Paul Rutledge, Earl Jarrett, Thomas Boker and Samuel Whitmer. Jarrett, Boker and Whitmer were named to the Traffic committee; while Boker, Rutledge and Whitmer were selected for the Air Pollution committee.

The inactive Human Relations committee is to include Jarrett, Boker and Rutledge.

Rev. Surbey Named to Family Services Board

The Family Service Agency, of Southwestern Illinois, an agency supported by the Tri-Cities United Fund to provide family, marriage and individual counseling, elected officers and new directors to its governing board at the annual meeting Monday evening at the Round Table restaurant, near Collinsville. Rev. Paul Surbey, pastor of St. John United Church of Christ, was named to a three-year term on the board of directors.

Selected to head the agency board in 1970-71 were Rev. J. B. Surbey, president; Edward F. O'Malley, Belleville, first vice-president; Rev. W. C. (Ruth) Scrivner, East St. Louis, and Mrs. Edw. J. (Lorraine) Scrivner, Belleville, vice-presidents; Mrs. John (Quinnella) Calvert, East St. Louis, secretary; and James P. (Stieh) Belleville, treasurer. "Family Life Education" was the topic of the guest speaker, Mrs. Maxine Crow of Family and Children's Service of Greater St. Louis. Highlighting the program was presentation of the annual award Mrs. Charles J. (Cecil) Hoffmann, a volunteer board member who presides over the agency's budget and acts as adviser in fiscal management.

At Aldermen's Request

Meeting with State Clean Air Officials being Arranged

Local air pollution control authorities are attempting to arrange a meeting with state and regional officials for May 11 to determine if the state can take over and enforce clean air regulations in Granite City.

Alderman Samuel Whitmer reported to Granite City council members Monday night that he had conferred with Henry Bielenick, chairman of the city's Air Pollution Control Board, following the "Earth Day" program at Granite City high school when regional and state officials were there, willing to do the job.

"Bielenick told me it was unlikely the state would be able to do the job since they have refused in the past."

"If the state can do the job here, then there is no use for us to budget funds and provide a duplicate service. You know, that's the first time I've ever been in an audience and been shot in the back," Whitmer added.

He told council members he conferred with two of the speakers following the "Earth Day" panel presentation.

James Keenher, assistant attorney general from Belleville, had said his office is handling air pollution complaints in southern Illinois, and had never received one complaint from Granite City; while Anton Telford, an engineer with the state's clean air office at Collinsville, told the audience, his staff is being enlarged and within a short time will have five engineers.

Through the public meeting being arranged by Bielenick, Whitmer said, "we hope to be able to find out just what the state will do and find out if they will go into it all the way, or if the city should get out."

"It might be a good idea to have some strangers come in and enforce the clean air laws, and it will save the city the \$17,000 that would be required to set up local enforcement procedures," Whitmer stated.

Whitmer, who last year headed the Fire and Water committee, is not listed on it for 1970-71, but he is being retained on the Traffic committee and the City Hall committee.

One new committee is on the list—the Special Inter-governmental committee—selected to meet with representatives of other governmental agencies, such as the park and school districts, to discuss matters of mutual concern. To serve on it are Paul Schuler, William Dallas and Gerald Parmley.

Other committees selected by the council include: Finance—Charles Moerlein, Schuler and R. E. Robertson; Ordinance—Parmley, Schuler and Walter Noun; Street and Alley—Clyde Boyd, Claude Green and Noun; Police—Roy Poulos; Everett Morien and Robertson.

Fire and Water—Poulos, Dawes and Boyd; Sanitary—William Dallas, Noun, and Robertson; Traffic—Whitmer, Dallas and Morien; City Hall—Poulos, Moerlein and Whitmer; Zoning and Planning—Parmley, Moerlein and Morien.

Special Wage committee—Robertson, Dallas and Morien; City Buildings—Dawes, Boyd and Robertson; Pollution Plant—Basarich, Green and Moerlein; Light—Green, Dallas and Basarich.

Chairmen of the committees during the past fiscal year were: Finance, Moerlein; Ordinance, Parmley; Street, Boyd; Police, Poulos; Fire, Whitmer; Sanitary, Dallas; Traffic, Whitmer; City Hall, Poulos; Zoning, Parmley; City Buildings, Dawes; Air Pollution, Boker; Pollution Plant, Basarich; Special Sewer, Rutledge; Human Relations, Jarrett; Light, Basarich; Printing, Jarrett; Special Wage Negotiations, Robertson, and Boundaries, Rutledge.

Musical Services Set At St. John UC of C

A unique musical service will be conducted at St. John United Church of Christ on Sunday at both the 9 a.m. and 10:20 a.m. services.

With the exception of the meditation by the pastor, the entire Liturgy will be presented in musical form by the Chancel Choir and soloists who will present various parts of the Liturgy in melody and song.

The program will feature the following selections: Call to Worship; solo, "Let All Mortal Flesh Keep Silence" by Angelo Harris; Confession of Sin; "If I Wounded Any Hearts Today" by Mrs. Sharon Taylor; Old Testament lesson; "The Twenty-Third Psalm," Chancel Choir.

Preparation for Prayer: "Teach Me To Pray" (duet) by the choir; survivors include his wife, Mrs. Betty Warnecke; two sons, George "Everette" Warnecke of Ponca City, Okla., and Guy Francis Warnecke of La Puente, Calif.; one daughter, Mrs. Beverly Inez Langford of La Puente, Calif.; his parents, Mr. and Mrs. George

Madison and Venice youngsters between the ages of ten and 15 years wishing to enter the Junior Sports Jamboree at Venice high school athletic field on Saturday, may still obtain entry forms from school principals and physical education instructors, Albert Delay, Venice Madison Jamboree chairman, said today.

Boys and girls are eligible to participate in the Jamboree program, to be sponsored by the Madison-Venice area by the Granite City Jaycees and the Venice City Organization.

The meet features running, jumping and baseball throwing contests, with youngsters competing against others of the same age division.

Contestants must report at the Venice HS athletic field at 9 a.m. Saturday, with the Jamboree to start promptly at 10 a.m. Entry forms or guardian still must be present to sign the entry form before the child can compete.

GC Jaycees Set Sports Jamboree for May 23

The 1970 Junior Sports Jamboree for Granite City youngsters will take place at 11 a.m. Saturday, May 23, at the Granite City high school athletic field, it was announced today by Stan Brown, sports meet chairman.

Entry forms are to be distributed at all elementary and junior high schools within the community, where contestants between the ages of 10 and 15 years may secure the forms from physical education instructors. Entry blanks also may be obtained by writing the Jamboree sponsors—the Granite City Jaycees, at Post Office Box 3, Granite City.

Theme of the Jamboree—"Any Child Can Compete"—is again stressed by the young men's service club, which annually co-sponsors the athletic event with the Illinois Youth Commission.

Brown noted that to qualify as a contestant, "an entrant must be within the prescribed age limits, but needs nothing more than the desire to compete."

Winners of the local meet in advance to the sectional competition, scheduled this summer at Alton. Sectional winners will be eligible for an expense-paid trip to the Illinois Jamboree state finals, set this year in Pekin.

Granite City Jaycees hosted the Jaycees state sports spectacular in 1969, when hundreds of youngsters from all sections of the state gathered here for the three-day Jamboree.

Everette F. Warnecke, 52, Dies; Ill 3 Months

Everette F. Warnecke, 52, of 26 Lola avenue, a long-time resident of Granite City, was pronounced dead upon arrival at St. Elizabeth Hospital about 4 a.m. Tuesday.

Mr. Warnecke had been ill since Jan. 31. He was previously a patient at the local hospital and had returned home last week. Early Tuesday, his condition worsened and he was taken to St. Elizabeth emergency room by ambulance.

Born in La Junta, Colo., Mr. Warnecke had moved to the local community as a young child. For the past three years, he had been self-employed as a private investigator. Previously he worked as a truck driver.

Mr. Warnecke was a member of the Tri-Cities Chamber of Commerce and the Baptist church. He was a veteran of World War II.

Survivors include his wife, Mrs. Betty Warnecke; two sons, George "Everette" Warnecke of Ponca City, Okla., and Guy Francis Warnecke of La Puente, Calif.; one daughter, Mrs. Beverly Inez Langford of La Puente, Calif.; his parents, Mr. and Mrs. George

(Ethel) Warnecke of Granite City; five sisters, Mrs. Hilda Sullivan and Mrs. Ruth Angle, both of Granite City; Mrs. Marie Schwenk of Little Rock, Ark.; Mrs. Anna Roy Bixler of Kentucky and Mrs. Georgia Jean Hanner of South Roxana; and ten grandchildren.

Funeral arrangements are given in today's obituary column.

Ottwein Bill Exempts Pensions, Home Sales

State Senator Merrill Ottwein (R-Edwardsville) this week announced filing of legislation that would exempt from the Illinois income tax retirement income and profits from sale of a home. Goals are to remove inequities and simplify tax return forms.

Ottwein said he is acting as co-sponsor for the legislation, which is administration-backed. "The governor's office and Senate leadership are solidly behind the proposal," he commented.

"One proposal exempts the entire amount received from pension and profit-sharing plans. A second proposal exempts the gain realized by the sale of a home in which the owner had been living."

"In many instances, an employee's accrued rights in a pension or profit-seeking trust constitute the only money available at the time of retirement," the senator said. "It is particularly unfair to tax such an individual on these earnings attributable to the period before the effective date of the Illinois income tax."

Another proposal is to exempt all interest earned on state and local bonds issued by any unit of government in Illinois. The exemption would help ease problems in financing state and local construction projects, and reduce the interest rates paid by state and local governments.

"Another amendment to the tax law is meant to simplify the state income tax form for those who receive income from outside the state. Instead of breaking down income according to where it was earned, it is either inside or outside the state, they would report total income and the amount of tax paid to other states," Ottwein said.

"The effect is to provide benefits to retirees and pensioners. This is especially important to the Madison County area because of the unusually large pension funds accumulated by employees of refineries and other companies."

James E. Freeman, 59, Dies; Ill Six Weeks

James E. Freeman, 59, of 119 Briarcliff, died about 9 a.m. Tuesday at St. Elizabeth Hospital. He had been ill six weeks and hospitalized the same length of time.

A native of Arkansas, Mr. Freeman had lived in the Quad-Cities since 1940. He was employed 27 years as a sheet metal worker at McDonnell-Douglas Corp. in St. Louis county, Ottwein said.

Surviving are his wife, Mrs. Gladys Freeman; one son, Michael Freeman, stationed with the U. S. Army in Thailand; and one sister, Mrs. Maggie Kelley of Arkansas.

Funeral arrangements are given in today's obituary column.

Turns Into Drive, Hit

The right rear fender of an auto driven by Joseph A. Nichol, 1015 Pontoon road, turning right into his driveway, was struck by a car driven by James H. Poole, 657 Margaret avenue, Mitchell, at 8:25 p.m. Tuesday. Poole was charged with driving without a license.

Nine Men Retire At GC Steel Co.

Nine men from Granite City Steel Co. have announced their retirements, including four from the Quad-Cities area. The local men are Ed Gangluff, Columbus Harriel, Eldridge Lyons and George Mertz.

Gangluff and his wife, Ellen, live at 2516 Madison avenue. A blooming mill oiler, he had 15 years of service with the company. The Gangluffs have two daughters and two grandchildren. Gangluff likes to fish, hunt and travel, but has no particular retirement plans.

Harriel, retiring on disability from his job as coke oven pusher operator, lives at 224 Carver street, Eagle Park, Madison, with his wife, Jeanette. They have four daughters. Harriel spent more than 27 years with Granite City Steel. He enjoys fishing, but because of his health, he has no special plans.

Lyons retired as blast furnace machinist after 26 years of service. He and his wife, Zulah, live at 2030 Pontoon road. They have one son and three grandchildren. Lyons likes to travel, but has no special retirement plans.

Mertz, who lives at 3312 Terrace lane, retired as senior BOF melder after nearly 36 years with GCs. He and his wife, Betty, have one son, one daughter and one grandchild. Their son, Bill, is a Granite City Steel apprentice electrician. Mertz plans to take up golf and fishing—and to babysit with his granddaughter.

The others retiring were: Ed Fichter, Jennings, Mo., who is retiring from the subsidiary Granco Steel Products, where until recently he was manager of the order service department.

John Hayes of Edwardsville, retired as brick department headcarrier after 15 years with Granite City Steel Co. Fred Jones of Edwardsville also a brick department headcarrier with 15 years service. He had been off work the past year as the result of a broken leg.

Edwin Padde of Mt. Olive is retiring as cold strip mill attendant after 15 years with the company.

Roy Swindie of St. Louis, a cold-strip pickle line operator, retired after 33 years of service.

Mrs. Mary Gilleland, 72, Dies; Ill 3 Weeks

Mrs. Mary E. Gilleland, 72, of 2919 East 24th street, an officer in the Anchorage Senior Citizens Club, died at 7:04 p.m. Monday at St. Elizabeth's hospital. She had been ill three weeks and was in hospital the same length of time.

A local resident for 32 years, Mrs. Gilleland was born in Alva, Okla. She was a member of Grace Baptist Church, the Rebekah Lodge and also was serving as vice-president of the Anchorage Senior Citizens Club. Her husband, Fred Gilleland, died in 1908.

Surviving are two sons, Oliver Gilleland of Granite City and Cecil Gilleland of Veneta, Ore.; three daughters, Mrs. Louise Justice, Mrs. Helen Lamb and Mrs. Virginia Butler, all of Granite City; two brothers, Forest Davaney of Denver, Colo., and James Davaney of Alva, Okla.; 25 grandchildren and 14 great-grandchildren.

In lieu of flowers, the family requests contributions be sent to the Cancer Society.

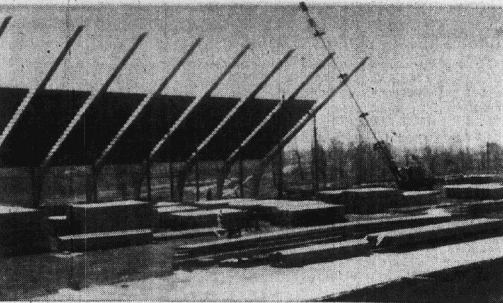

Funeral services for Mrs. Gilleland were held today. Arrangements are given in the obituary column.

WAREHOUSE REBUILDING progresses at the Tri-City Port District harbor site on the Chain of Rocks canal. The original \$500,000 frame warehouse of Bulk Service Corp. was destroyed in a spectacular blaze last December.

Wabash at Johnson Road

Report Due Next Week On Added Traffic Lane

Another try to open the added traffic lanes for Wabash avenue between Johnson road and Clark avenue to provide for installation of traffic signal lights at the Johnson-Wabash school crossing was made during Monday night's Granite City council session.

The recommendation by Alderman Boker was taken under study with an engineering report to be submitted next week. Boker pointed out a little Brownie scout had been injured on Johnson road at Frohardt school recently and that he understood the state highway department had approved installation of the traffic signal lights, but work has been stalled pending a decision by the city on opening the added lanes for Wabash avenue.

If Wabash is not opened, Boker said, the traffic light installation would require a costly boom. "I'm sure if the city shows its intent to proceed with the added lane for Wabash that we can get the light installed by the time school starts next fall," Boker added.

Alderman Farney called for immediate advertisement for bids for improvement of the remaining sections of Johnson road once the engineering plans are approved by the state highway department.

Mayor Partney reported the county highway department is preparing plans for another joint city-county project extending Maryville road south from Pontoon road to either Terminal avenue or to Route 162. "We should be hearing from them in a few weeks," the mayor told the council.

An ordinance is to be prepared to prohibit stopping or parking of vehicles for a distance of 40 feet on either side of the plant entrance crosswalk on Niedringhaus avenue for American Steel Foundries.

The recommendation was made by the traffic division of the police department for pedestrian safety.

Another ordinance is to be prepared to prohibit parking at the northwest corner of Niedringhaus avenue and Benton street for distances of 30 and 40 feet on each street. Poulos asked for a study on the need for no-parking zones at the corners of 21st street and Madison avenue.

An ordinance was adopted establishing a four-way stop at Kate and East 25th streets.

Payment of \$100 to Jack D. Huggins for a special audit of the controller's books also was approved. The books were audited and found to be up-to-date and correct.

Comptroller Stevens post was abolished last year by the council, effective today.

The comptroller's chores are being turned over to City Clerk Pendleton, who Monday night submitted a request to the council for three additional clerks in his office to do the bookkeeping chores. Pendleton said he plans to employ the present clerks and no additional employees will be needed.

Auditor Huggins recommended the city employ an accountant to close out the comptroller records for the fiscal year, and that the task should be done during May.

A resolution was adopted to transfer \$14,168 from the sales tax reserve with the distribution to be \$6579 to the fire department, \$5518 to the police department, \$1197 to the Illinois Municipal Retirement fund, \$490 to the city hall account, \$317 to the dog catching fund and \$96 to the school crossing guards account.

Parked Auto Struck

While leaving a parking space, an auto driven by Rose Mary Puhse, 123 Wilson Park lane, struck the rear bumper of a parked car at 2:50 p.m. Monday at Jill avenue and Nameoki road. The owner of the second car was undetermined.

Marquette Rd. Extension

Major Partney reported the county highway department is preparing plans for another joint city-county project extending Maryville road south from Pontoon road to either Terminal avenue or to Route 162. "We should be hearing from them in a few weeks," the mayor told the council.

Registration Opens at Park for Pre-Schoolers

Registration will start Monday for the Granite City park district's 1970 summer pre-school program. It was announced today by Harold Brown, park superintendent. A maximum of 150 pre-schoolers will be accepted for the eight-week program which is scheduled to begin on Monday, June 15.

Parents may register a child at Wilson Park ice rink from 9 a.m. to 3 p.m. Monday only, or by calling the rink at 877-2549, during the same hours. Participation in the program is limited to children residing in the Granite City park district, Brown stressed.

The park official urged those interested to enroll their youngster as soon as possible, with those children registering accepted on a first-come, first-served basis. Re-registration is required for children who participated in the winter-spring pre-school program sponsored by the district, he noted.

Summer classes may be held this year at the Wilson Park ice pavilion and in the park area. In previous summers, the twice daily sessions were conducted at Niedringhaus school.

Brown pointed out that each child may attend only one class, with classes divided into one morning and one afternoon session on separate days. He said this arrangement will enable all participants an opportunity to use the park pool wading facilities, available during the pre-school program.

To enroll in the program, children must have reached their fourth birthday by June 1 and may not have attended kindergarten classes in public school.

Morning sessions will be held from 9:30 to 11:30 a.m., with the second class from 1 to 3 p.m., Brown said. Mrs. Rose Marie Lindner and Mrs. Carol Chappell will supervise the pre-school program, Brown said.

No charge is made for those attending, the park officer said, however, ten cents per day should be given each child to cover the cost of an orange drink and cookies.

Brown also reminded parents that each youngster is required to pay a \$1 insurance fee, which will cover the child in any park district program through June 15, 1971. Children having paid the charge through participation in winter-spring pre-school classes are not required to pay

Juvenile Officers to Attend Youth Meeting

Police departments of Granite City, Madison and Venice are being represented at the 38th Annual Governor's Conference on Youth which is being held today and Friday in the Sherman House at Chicago. It was reported today.

George Teller is attending from Granite City, William Fanning from the Madison department and Charles Mize from Venice.

James E. Hendricks, East St. Louis, recently appointed a field agent in the East St. Louis Region of the Illinois Department of Corrections, has been chosen to receive the Illinois Juvenile Officers Association Award for 1970.

Two Hubcaps Stolen

Rickey Smith, 2456 Cleveland blvd., reported at 1:50 a.m. Tuesday that he observed four youths in a yellow 1961 auto steal two wire wheel covers from his 1964 auto and then leave the scene. The hubcaps were valued at \$25 each.

The fee again, he explained.

The pre-school program will include arts and crafts, storytelling, organized games, group singing and similar activities.

ABOUT THIS QUESTION:

"Insurance has become a very complex business, requiring hundreds of separate policies to meet the needs for personal, home, farm, and business insurance. It is true that only a full-time insurance agent can hope to gain the knowledge necessary to properly insure and service his clients."

In 10 Days Lose 10 Lbs On Grapefruit Diet

HOLLYWOOD, CALIF. This is the revolutionary grapefruit special diet that is exciting the nation. Thousands have been duped by copies of it from hand-to-hand in offices, plants, and factories throughout the country.

Because this diet really works, we have testimonials reporting on its success. If you follow it exactly, you should LOSE 10 LBS. IN 10 DAYS. No weight loss in the first four days—but you will suddenly drop 5 lbs. by the 5th day. Thereafter lose a pound a day until the 10th day. Then you will lose 1 1/2 lbs. every two days until you get down to your proper weight. Best of all, you will have no hunger pangs. Revised and enlarged, this diet lets you stuff yourself with formerly "forbidden" foods, such as steaks trimmed with fat, roast or chicken, gravies, mayonnaise, fish swimming in butter or vegetable oil, frankfurters and scrambled eggs and still lose weight. The secret behind this "quick weight loss" diet is simple. Fat doesn't form fat — and the grapefruit juice in this diet acts as the "trigger" to start the fat-burning process. Yes, you stuff yourself on the permitted food listed in the diet plan, and still lose weight. A copy of this startling successful diet can be obtained by sending only \$2 to:
